Proceedings

Thursday, August 12, 1976
Hamburg Baptist Church

The one hundred forty-seventh Annual Session of the Tuckaseigee Baptist Association meeting was called to order in the Hamburg Baptist Church by the Moderator, Robert Blanton. The Reverend J. D. Grant led the congregation in the singing of two hymns. This was followed by a prayer and scripture by the Reverend Lester Sutton, pastor of the church. Reverend Blanton thanked the members of the Hamburg Church for its hospitality and for the bounteous meal served to 118 messengers representing 27 churches in the Association. A standing vote of thanks and appreciation was expressed by the congregation.

The following business was dispensed:

1. A motion accepting the order of business as shown in the BOOK OF REPORTS was approved.

2. A motion made by Douglas McFadin, that the BOOK OF REPORTS be adopted was amended by Annie Hoyle, Clerk, for the section dealing with the budget and the financial reports not be included in this motion. The amendment and the motion were approved.

3. Reverend C. H. Greene spoke on the Sunday School Report. He told of plans for the coming year, stressing the action program which has been introduced through two clinics held this past year. He urged all churches to consider employing full time pastors.

4. The Reverend Luther Osment spoke on the State Missions Report, calling attention to the State Missions Day of Prayer scheduled for September 19.

5. Woodrow Hill brought the report on Christian Literature, urging churches to include the Biblical Recorder in their budgets so that it would go into every Baptist home. If the veil of ignorance is to be lifted then the people must be informed, they must be involved and exert their influence. When people know they are concerned and when they are concerned they become involved and their influence spreads. The Bold Mission Thrust project has been adopted by the Southern Baptist Convention. If this plan succeeds it means that Baptist people must know what is going on. Reading the Biblical Recorder will help to keep people informed, he affirmed.

6. Reverend J. D. Grant introduced the pastors new to the Association this year. They are: Dr. John Bunn, Sylva First; Reverend John Spencer, Buff Creek; Reverend Douglas McFadin, Shoal Creek; Reverend Charles Shuler, Big Ridge; and Reverend Frank Anderson, Hospital Chaplain. He also reported on the changes within the Association. These are recorded in the Associational Report.

7. Dr. John Bunn spoke on the topic: "The Church and the Association." He emphasized five cardinal principles that have been affirmed by all of the earliest Baptist Associations; 1. That each member church is autonomous: 2. That the association has no authority over the churches: 3. That the association's capacity is advisory not authoritarian: 4. That they can only withdraw fellowship from churches for clearly defined and absolutely incontestable acts of defection in doctrine or practice: and 5. That just as a church is free to decide whether they will or will not be in cooperative relationship with the association, so the association is free to determine what churches it will admit to its fellowship and continue in it's fellowship according to its stated constitution. The Tuckaseigee Baptist Association by its constitution is obligated to promote 1. the extension of God's Kingdom on earth, 2. the creation and promotion of harmony, 3. creation and promotion of intelligence in the churches and 4. the creation and promotion of spiritual power in the churches. All of these things in general and in particular constitute the Association's service to the member churches.

8. Under miscellaneous business Douglas McFadin announced the forthcoming Sunday School Clinic to be held on October 4 & 5. C. H. Greene urged the churches to take a look at their constitutions. He stressed the importance of and need for up-dated constitutions. The constitution point out the guidelines for a church.

9. The song "At The Cross" led by J. D. Grant preceded the taking of an offering amounting to $74.60.

10. The Reverend Luther Osment brought a dynamic message using as his scripture Mark

2:1 and as his title "A Time for Boldness."

The first session of the Annual meeting was closed with a prayer led by Reverend Eddie Stillwell.

Friday, August 13, 1976
Long Branch Church

The second session of the Association Annual Meeting was called to order by the Moderator, Reverend Robert Blanton at the Long Branch Baptist Church at 9:30 AM on Friday, August 13, 1976. Reverend Hazen Pangle, Pastor of the church, brought the devotional using Luke 4:9-10. Rev. John Spencer, Pastor of Buff Creek Church, led the congregation in the song "Blessed Assurance."

The Order of Business as approved at the first session was followed:

1. Rev. Billy Rogers was absent at this time so this item of business was postponed to come up later.

2. Reverend Kenneth Crawford, Director of Truett Camp, brought the report on camp activities and the progress being made at the camp this year. He reported that 510 people were in attendance at the camp during the 9 week session. There was a total of 240 girls in attendance during the three week with 41 decisions for Christ and 155 boys with 39 decisions for Christ. At present the camp has a deficit of $2700. The North Carolina Baptist State Convention gives $7,000 per year to assist with the operation. Next year they will probably increase the amount. The swimming pool is badly in need of repair. Next year the Music week and the Youth week will be combined.

Dr. Bunn reported that some of his young people attending the camp had made decision for Christ as a result of their camp experience. This brings the number of decisions to 82. This was presented as an amendment to the report and approved.

3. Annie Hoyle, Clerk, gave the Associational report pointing out progress and evidences of concern and cooperation in the association.

4. Reverend Frank Anderson spoke to the Chaplaincy report emphasizing the services rendered and the need for more security in financial support. He brought folders on the Chaplaincy work in the C. J. Harris Hospital for distribution.

5. Sue Fitzgerald from Mars Hill College brought the report from the Baptist institutions of Christian Education. She explained her work and its purpose and encouraged the churches to take advantage of these free services.

6. Tom Clayton, Chairman of the Baptist Children's Home Committee, introduced Reverend Clyde Morris who told of the work accomplished in the Baptist Children's Homes and the Home for girls in Asheville. He said that Cottage No. 5 would be dedicated at the Broyhill Home on September 9, 1976. A new project—that of child development under the capable direction and leadership of Mrs. W. R. Wagner is now in operation on the Thomasville campus.

Rev. Morris left pamphlets for the messengers to pick up and study.

7. Reverend Spencer led the congregation in singing "There's a Melody Within My Heart."

8. Mrs. Ruby Greenlaw gave a report on the work at the Baptist Hospital and told of the many services which it renders. She spoke fervently of the spirit of togetherness which prevailed at the Hospital. She explained how the Mother's Day offering was used to serve a needed and unique mission. She urged the messengers not to condemn or forbid absorption in cases of urgent need, using a vivid illustration to illustrate such a dire need.

9. Reverend J. D. Grant reported on the Cooperative Program. He stressed the need for mutual cooperation of all churches in supporting this good and worthy cause. He called attention to some of the advantages of the work done through the Cooperative Program. It is a program that needs our support.

10. In the absence of Barbara Vance, Treasurer, Annie Hoyle, Clerk, presented the treasurer's report. She called attention to the fact that the Sylva First and Jarrett Memorial churches should be listed with those churches now contributing on a monthly basis to the Associational fund.

11. Lewis Keener, Financial Chairman, presented the budget for 1976-1977. He explained the increase in certain items, calling special attention to the need for office equipment. He

read a list of the urgent needs. The motion was seconded by Douglas McFadin and approved. The budget for the amount of $19,125.00 was adopted.

12. Sam O'Neal spoke on the Annuity Program and expressed concern for the welfare of the pastors after their retirement. He urged the messengers to look into the matter of pastor retirement and to take action in their respective churches if their pastor was not already covered.

13. After the singing of the song, "Jesus Saves," Rev. J. D. Wyatt brought an inspirational and very informative message using Hebrews 9:22 as the scripture.

Following the message the morning session came to a close and the 103 messengers and visitors enjoyed a bounteous luncheon served by the members of the Long Branch church.

14. The afternoon session was called to order and the 119 Psalm read by a layman of the church followed by the song "Love Lifted Me" under the leadership of J. D. Grant.

15. The Home for the Aging Report was brought with a special plea for help from the Association to support financially the home to be constructed in Asheville. There is an urgent need for this home.

16. Reverend Douglas McFadin expressed the appreciation of the messengers and staff of the Association to the Long Branch Church and its pastor for the warm hospitality as a host church.

17. Rev. Lester Sutton, in the absences of the chairman, presented the Credentials Committee Report.

18. The one hundred forty-eighth annual meeting Time, Place and Preacher Report was presented by Reverend Glenn Blanton. In 1977 on August 18 the meeting will be at the Shoal Creek Church with the Reverend Douglas McFadin bringing the message. On August 19 it will be at the Black Mountain Church with the Reverend Lester Sutton as preacher.

19. The nomination committee chairman, James Ridgeway, was not present. The report was presented by the Moderator and the Secretary. Attention was called to the fact that the report was in violation of the Constitution because some names were listed in more than one position. Reference was made to Article VI b. of the Constitution. A motion made by Bunn and seconded by Hinson that the committee on Committees Report be referred back to the committee and that the moderator appoint a Constitution Committee to study and interpret Article VI b of the Constitution and that this Committee would report its findings to the October Meeting of the Executive Committee. Motion passed.

20. A congregational song—"Trust and Obey"—was led by J. D. Grant. A collection amounting to $78.44 was taken.

21. The Moderator presented the Calendar of Activities and urged all pastors and churches to refer to this calendar as they made up their church calendars and thus avoid as many conflicts as possible.

22. The Moderator, Robert Blanton, thanked the messengers for permitting him to serve in this office for a two year period.

23. Reverend Lester Sutton closed the 147 Annual Session with a Memorial Service for those members from the several churches who had been called to their rewards. Psalm 116 was read to a musical background. A prayer brought the session to a close at 2:30 P.M.

REPORT OF THE AMERICAN BIBLE SOCIETY 1975-1976

The Bicentennial of the American Revolution is here, and churches across the country are planning how they will participate in this great celebration.

The American Bible Society can help them. Forty years younger than our country, the ABS (born in 1816) grew up with the new nation and made sure that its citizens always had available copies of God's Word to guide them. Today the goal of the ABS is the same—the translation, publication and distribution of the Scriptures in the language of the people without doctrinal note or comment and without profit. As a vital resource agency to the churches, the ABS works with the United Bible Societies around the world to provide the Scriptures to more people than ever.

Here are highlights of what the ABS and its partners in the Bible cause did in 1975.

TRANSLATION AND PUBLICATION UPDATE 1975: A milestone in the development of the common language translation will be reached late in 1976 when "The Good News Bible," the entire Bible in Today's English Version is published.

During 1975, the ABS supported 562 translation projects around the world. Highlights of these projects were the publication of the New Testament in Today's Chinese, and the completion of the New Testament in Today's Arabic.

GOOD NEWS FOR NEW READERS: The dilemma of the new reader unable to improve upon his reading skills for lack of suitable materials is a problem all too familiar to the Bible Societies. The Societies realize that if "bridge materials" such as Good News for New Readers Scripture Literacy Selections are not available, most of these new readers will return to illiteracy and may never again have the opportunity to read God's Word.

BIBLE SOCIETY ACTIVITIES.—Scripture Distribution. Scripture distribution in the United States during 1975 reached a total of 109,469,781 copies.

GOOD NEWS FOR MODERN MAN Nearly ten years ago the new translation of the New Testament called "Good News for Modern Man" was published to be used especially in evangelistic outreach. On the eve of its tenth anniversary, distribution of the New Testament in Today's English Version has passed the fifty million mark, an achievement unmatched in U.S. paperback publishing history.

NEW PUBLICATIONS: The Bible Society expanded its service to the handicapped in 1975, with the production of a Scripture Selections for the deaf. The new Selection, "Jesus Stops A Stor," translates Mark 4:35-41 in Signed English. In November, the Bible Society's new publication, "The ABC's of Proverbs," became the most popular addition yet to the series of children's Scriptures that the ABS has published in recent years.

SCRIPTURE IMPRINTS: Imprints produced by the ABS in 1975, 2,259,000 copies were imprinted for Southern Baptist churches and agencies.

BIBLE-A-MONTH CLUB: Members of the Bible-a-Month Club continued their support of Bible Society work in 1975. By year's end, more than 226,000 members were enrolled helping to get the Word into the hands of those who need it.

VOLUNTEER ACTIVITIES: The ranks of ABS Volunteers continue to swell. The number of men and women serving the ABS now stands at 14,367.

ARMED FORCES: The ABS has placed more than 20 million copies of Scripture in the hands of men and women serving in America's Armed Forces since 1817.

We ask your continued prayers, that the Bible Society, in partnership with the Southern Baptist Convention and with all willing Christians may fulfill more effectively its task of bringing the Word of God to all those who ask for it and need it.

ANNUITY BOARD OF THE SOUTHERN BAPTIST CONVENTION 1975-1976

Southern Baptist churches depend on the Annuity Board to provide retirement and insurance protection to pastors and others in church-related vocations. The Board holds in trust retirement contributions from nearly 40,000 persons. Their contributions will be converted into annuity benefits when they retire. These contributions, taken together, are considered as funds held in trust by the Annuity Board.

Benefits paid to retirees, widows, and the disabled in 1975 amounted to $15,734,003. During the Annuity Board's 58 years of existence, it has paid more than $141 million in retirement and protection benefits.

A 13th check issued in December, 1975 provided 8,221 annuitants with an extra month's income to help them combat the rapidly rising cost of living.

The Annuity Board helps churches and SBC agencies get the best coverage at the most advantageous rates in life, health, and disability insurance.

There are forty-nine churches in the Tuckaseigee Association. Each church has a pastor yet only 15 churches are providing Annuity protection for their pastors. These are:

BAPTIST CHILDREN'S HOMES
1975-1976

The variety of services provided by the Baptist Children's Homes of North Carolina have been increased greatly in recent years. Western North Carolina has shared in this expansion made possible by the generosity of our Baptist people and other friends of the dependent child.

Western North Carolina has provided many of our finest foster homes since the beginning of this program in the 1930's. This continues to be one of our finest services. We are constantly in need of more good foster homes and will welcome an opportunity to talk with people who would like to work with us in this program.

The Maternity Home in Asheville, opened in 1970, became the first agency owned group facility in Western North Carolina. This has proved to be a much-needed and well-received service. Girls have been served from throughout North Carolina and beyond. It is recognized for its quality of care and Christian concern.

After several years of careful planning, generous giving, and hard work, Broyhill Home became a reality in 1971. People in the western part of the state rose to the challenge and provided funds to purchase land and develop a campus with buildings and facilities for sixty children. This is one of the most modern up-to-date facility of its kind in the nation.

Many children find themselves in emergency situations in which they need help immediately. To serve this child we are developing emergency care homes. The Thermal Belt Youth Shelter at Forest City, now in its second year of operation, is proving beneficial to numbers of children in this area.

The department of Child Development and Family Education is available to assist pastors and churches in planning and presenting wider services to strengthen, enrich, and support Christian family life. Members of the staff are available upon call to provide assistance in planning for day care, family education, and related interests.

We are deeply grateful at the Homes for every expression of interest and means of support provided by our people. Special gifts, income through the Cooperative Program, and the Thanksgiving Offering are vital to our existence. We thank you for every expression of your faith and confidence.

Respectfully submitted,
Tom Clayton, Chairman,
Baptist Children's Home Com.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING
1975-1976

The North Carolina Baptist Homes completed 25 years of growth and development this past year. These have been good years.

The past year we entered into the Fund-Raising Effort to raise $1,000,000 for the construction of the Western North Carolina Baptist Home in Asheville. Brother Ralph Cannon, Director of Development and Denominational Relations reports that the response has been most encouraging, and that there is every indication that we will reach the goal.

When completed, the Western North Carolina Home, in Asheville, will accomodate 50 people, and will bring the total capacity of our Baptist Homes and the Nursing Care Unit to 280. We now operate five other Homes, and a nursing Care Unit, in Winston-Salem; the Albermarle Home, the Hamilton Home and the Yanceyville Home.

The love gifts of North Carolina Baptist through the Cooperative Program, and the Special Offering for the Homes received on the third Sunday of February each year make this work possible.

Close at hand is another venture in the development of the Homes—the building of apartments on the site of the Hayes Homes property in Winston-Salem. The first of these units is to be completed by the fall of 1977.

Great things are in store for us in our Homes for the Aging as we look to the future, and we covet the earnest prayer and the continual support of every North Carolina Baptist as we move ahead in this challenging ministry to older people in our midst.

Dot England, Chairman

BIBLICAL RECORDER REPORT
1975-1976

The Old Testament prophet Hosea declared, "My people are destroyed for lack of knowledge." Because of a great information void concerning truth, Jeremiah also cried out, "Publish and conceal not."

Just as in Old Testament days, communication still remains one of the most sensitive problems in our churches. Think for a moment—how many problems has your church had that could be traced to a lack of communication? Too many church members are misled because they are uninformed, poorly informed, or misinformed. Churches must take initiative to provide accurate information if work in the local church, association, and convention continue to show progress.

Each year more churches understand the importance of providing the RECORDER for each family. When this is done, members have made encouraging progress in recent years through bold mission enterprises and this can be traced to better-informed church members. Stewardship gains also go hand in hand with better communications. As an example, 79 of the 80 churches which led their associations in per capita mission gifts last year have a RECORDER club.

Louie B. Newton referred to the BIBLICAL RECORDER as the "packhorse" of every phase of denominational life. If this "packhorse" is not going to every family in your church, may this be the year that you take this step.

REPORT OF THE HOSPITAL CHAPLAIN

From July 1, 1975 to June 30, 1976, 4153 patients passed through the C. J. Harris Community Hospital. This was an average of 346 patients per month. The vast majority of these were seen and talked with at least once by your Chaplain. Depending upon God, your Chaplain sought to complete the ministry of a live saving team. The doctors and nurses ministered to their bodies and minds. The Chaplain ministered to the spirits of the patients, pointing them to a power beyond themselves.

From July 1, 1975 to June 30, 1976, gifts were received from twenty-four churches and two individuals. The total amount given was $2,543.04. Five of the churches have given every month for the last five months.

This ministry is a voluntary co-operative effort upon the part of all denominations in Jackson County. A standing committee of the Jackson County Minister's Association supervises the Chaplaincy Program.

You may support this ministry through your church budget each month or by special and designated offerings. Individuals may share in support of the ministry by memorials or general contributions to: Hospital Chaplaincy Program, 59 Hospital Road, Sylva, North Carolina 28779.

Remember Jesus said in regard to our ministry to the sick, "Truly, I say to you, as you did it to one of the least of these my brethren, you did it unto me."

Frank T. Anderson,
Chaplain

NORTH CAROLINA BAPTIST HOSPITAL
1975-1976

"Christian stewardship" is a phrase frequently heard in staff meetings at Baptist Hospital. A continuing effort is made to help each employee, whatever his particular job, to realize that he is part of a team involved in a Christian ministry of healing. The difference this makes in the whole atmosphere of the hospital is evident to patients and visitors.

This sense of stewardship demands a continual updating and upgrading of medical pro-

cedures to assure patients the highest quality care. One of the most significant recent developments is the creation of a department of Family Medicine.

Improvement of physical facilities is another expression of the hospital's sense of stewardship. In recent months renovation of the west and south wings of the hospital has been completed; construction has begun on a 4-level parking deck in front of Reynolds Tower; construction has been completed on an addition to the water-chilling facilities.

The Pastoral Care Department continues to make its contributions toward the fulfillment of our stewardship. A chaplain is assigned to each area of the hospital and is responsible for providing a pastoral ministry to patients, staff and visitors in that area.

Mother's Day gifts for the fiscal year were $405,946.52. Churches in the Tuckaseigee Baptist Association made the following contributions:

BROTHERHOOD REPORT
1975-1976

Our Brotherhood Department had a good year. The Associational leaders had the opportunity of going to a workshop seminar at Camp Carraway to be better prepared to assist our churches in their Brotherhood work. Our team was in charge of the area workshop held in Franklin.

We had the privilege of helping a church begin work in Baptist Men and Royal Ambassadors.

One of our Baptist Men units has Sunday School in one of our Rest Homes each Sunday morning. There are many needs in our county which we are working toward assisting through

our Associational Brotherhood work. We look forward to the next few years as our Baptist men and boys strengthen the mission work in our county.

BAPTIST MINISTERS FELLOWSHIP REPORT

The Baptist ministers of the Tuckaseigee Association were active during the past year. Meetings were held monthly on the second Tuesday of each month, with Dan Ward as President, J. D. Wyatt as Program Chairman, and Wesley Hooper as Secretary and Treasurer. We met in different churches with hopes that this would create a greater interest and more fellowship among the ministers.

The programs were especially good and challenging. Inspiring messages were brought by several outstanding speakers. Several committees were formed to look into some pressing problems.

The goal of our fellowship was to undergird the work of the Association and to further its programs.

Wesley Hooper, Secretary

THE CHRISTIAN LIFE COUNCIL REPORT 1975-1976

The emphasis of the Christian Life Council in 1976 has been twofold: citizenship and family relationships. In January a bicentennial packet was mailed to every North Carolina Baptist pastor. A major concern for the Christian home has prompted the Council to distribute over 150,000 pieces of literature relative to the family. A workshop for Youth Ministers was co-sponsored with the Youth Ministries Section. A Single Adult Conference is scheduled for October 29-31 in Charlotte. The Department of Christian Family Life was created and is headed by W. Douglas Cole. The Christian Life Council's reason for existence centers on the concept of helping those who call Him "Lord, Lord" to know and do His commandments.

CHRISTIAN HIGHER EDUCATION
1975-1976

When the Baptist State Convention was formed in 1830, there were two church academies already in existence, as well as the University of North Carolina in Chapel Hill. However, Baptist wanted their own school. Wake Forest Institute was begun in 1834. Five years later the Institute became Wake Forest College. Baptist in North Carolina have been closely identified with Christian higher education for 142 years.

Today, the Christian higher education system of Baptists embraces six other colleges in addition to Wake Forest: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith and Wingate. Since 1944, these schools have been guided in their development by the Council on Christian Higher Education of the Baptist State Convention.

It is not enough that North Carolina Baptist have begun and now support six colleges and one university. The need for colleges and churches to give fresh attention to their partnership and their mutual dependence is always present. Below are some of the ways this partnership finds tangible expression year after year:

1. North Carolina Baptists continue to support their colleges through the Cooperative Program and the Baptist College Day offering on Father's Day.
2. The colleges continue to provide training for most of the pastors and other church staff persons who lead North Carolina Baptist churches.
3. Pastors have helped the colleges in their efforts to recruit Baptist young people.
4. The colleges pledge to North Carolina Baptist youth that financial aid is available to assist them in attending a Baptist college.
5. Churches, pastors' conferences and associations invite the colleges to send students and faculty to speak and lead programs.
6. Baptist colleges are anxious to receive invitations to serve the churches and associations.

In a secular world with its materialistic priorities, Baptist colleges are committed to the guidance of Christian values in the search for truth.

Baptist colleges reaffirm their gratitude for the support given by Baptist through the Cooperative Program. We further reaffirm our faith in and our support of the local church, and the broad programs of our denomination.

John Chapman, Chairman
Christian Education

THE CHRISTIAN LIFE COMMISSION
1975-1976

In this Bicentennial year of 1976, the attention of the nation has been focused on Christian citizenship in particular and moral issues in general. It is the responsibility to the people of God to strengthen and extend a Christian witness in a morally confused world where Christian morality is desperately needed.

Concern for Christian morality development is growing significantly among Southern Baptists. An increasing number of individuals, pastors, and churches are substantially expanding their commitment to applying the gospel and their involvement in a responsible penetration of the world and permeation of society with the whole gospel of Jesus Christ.

Conferences on applied Christianity have emphasized Christian citizenship, Christian answers to family problems, public education, and moral issues of particular concern in this year of national elections.

The following five areas of Christian social concern have required the special attention of the Christian Life Commission: 1, Family life; 2, Race relations, 3, Christian citizenship; 4, Economics and daily work; and 5, Special moral concerns. In these and many other ways, the Christian Life Commission continues its task of helping changed people to change the world.

CHURCH TRAINING
1975-1976

The Church Training Department held "M" night on November 27 at the Ochre Hill Church. The meeting was well attended and representative of the churches having organizations. The message brought by Dr. John Bunn, Pastor of the Sylva First Church presented a challenge to the churches and to the workers which should result in more interest and enthusiasm and in improved training.

During the past year only 20 of the 49 churches were listed as having church training in their programs. The directors or representatives of these churches presented what they considered the high light of their year's work. These remarks did provide a sharing of ideas that was both stimulating and informative.

Next year it is hoped that instead of just one Associational meeting in Church Training we can have at least one each quarter. Well planned and suggestive programs and workshops would be a vital part of these meetings.

There is a great challenge to be met in this area of our church life. It is the sincere wish and desire of the Church Training Committee to provide help to those churches seeking it. Under the guidance and direction of the Master's hand we plan for some definite specific action.

Respectfully submitted,
Ray McCall, Director
Church Training

EVANGELISM REPORT
1975-1976

This has been a good year for evangelism in the Tuckaseigee Baptist Association. Many of our churches experienced growth through statements of faith and transfer of letters. Some of our churches have been in a state of revival throughout the year.

We had some associational activities this year that contributed to some evangelical enthusiasm. In February, we came together for a Preachers' Revival. Services were held in about twelve different churches with nearly every pastor in the Association taking part in one of the services. Rev. Luther Osment, our Area Ten Missionary, delivered the main message each evening. We believe these services were highly beneficial to the spiritual lives of each of the clergy and laity that attended the services.

Later, we observed a simultaneous revival with several of our churches participating. We have had reports since this effort showing results of it. It seemed very appropriate to have this simultaneous revival in conjunction with our nation's bicentennial.

Two of our churches are presently operating a bus ministry, both seem to be going very well.

During the year, our churches have reported 234 baptisms. We are eternally grateful for what the Lord is doing here in the Tuckaseigee Association, and we feel that next year will be even greater.

Respectfully submitted,
Bruce Alexander,
Evangelism Chairman

FOREIGN MISSIONS REPORT
1975-1976

"For whosoever shall call upon the name of the Lord shall be saved. How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they

have not heard? and how shall they hear without a preacher? and how shall they preach, except they be sent?" Romans 10:13-15

I would like to commend the people of the Tuckaseigee Baptist Association for their support of Foreign Missions. In the past our churches have given generously to the Lottie Moon Christmas Offering for Foreign Missions. The Cooperative Program is an on-going thing in most of our churches. I feel confident that when the statistics are all in our churches will have given more this year than ever before.

I am sure that many have heard and believed because you gave of your money and put the words of Romans 10:13-15 into action. If we cannot go to a foreign field ourselves, then we can support our missionaries with our prayers and money.

As the population of our world increases daily there is need for more and more missionaries. Let us pray that many will hear the call to go and be willing to make this great sacrifice that others may hear and believe.

Respectfully submitted,
Esther M. Cole, Chairman
Foreign Missions

W M U REPORT
1976

The WMU has had a rewarding, but busy year in its mission work. The Council, composed of the Directors of the age level leaders and the Secretary Treasurer, held quarterly meetings for the purpose of planning and of implementing the Associational work. The following Council members were elected at the Annual meeting in May: Mildred Cowan, Baptist Women, Alma Pullium, Baptist Young Women and Sharon Proctor, Acteens. The other officers continued in their respective positions. The new members will begin their term of office October 1st. The Annual meeting was held in the Old Savannah Church. A former associational Sunday School worker brought the message. All age levels were included in the meeting. The GA members presented the Prayer Calendar.

A new WMU was organized in the Little Savannah Church. This organization is sponsoring all the age level groups.

Two churches—Scotts Creek and Ochre Hill—celebrated the Bicentennial year by featuring church wide programs. Others celebrated in their own WMU groups. This has stimulated an interest in compiling a history of the WMU work in the Association. Plans are being made to implement this project.

As usual the WMU organizations led out in the weeks of prayer emphasis for Associational, Home and Foreign missions. The Lottie Moon offering went over the goals set in most of the churches. An Association prayer retreat is being planned for the Association Week of Prayer in August.

Several members attended the State meeting in Greensboro and the WMU Conference at Ridgecrest.

Currently there are 23 active WMU organizations with two churches in the planning stages.

The Acteens under the leadership of Director Amy Hoyle held an Associational wide rally. Games, music and good fellowship were enjoyed by the large number attending.

The G. A. and Mission Friends Directors—Virginia Pangle and Joyce Green are planning a Day Camp for September.

The "WMU Korner" has made a beginning. We hope that it will expand both in service and in materials.

There is much to be done. Many members have publicly dedicated themselves to become more involved in mission work for the coming year. With this interest and enthusiasm the WMU should continue to move forward.

Respectfully submitted,
Annie K. Hoyle,
Director

ASSOCIATIONAL MISSIONS REPORT
1975-1976

The old cliche "Nothing is constant but change" is apropos to the work of the Tuckaseigee Baptist Association for the year 1975-76. Change seems to have been the predominant thing in the departments, the general work and among the personnel.

Personnel changes reflect both internal and external movement. Among those changing postions within the Association were Walter Middleton, the Director of Missions, who resigned this position and became pastor of the Tuckasegee Baptist Church.: Wesley Hooper left Dietz Memorial to locate at Dicks Creek: Cecil Davis moved from Tuckasegee to Jarrett Memoria; Paul Carden went from Big Ridge to New Hope: Hardin Nicholson changed from New Hope to Rockdale: Hazen Pangle returned to Long Branch: while Jim Cogdill went from Unity to Wilkesdale. New comers to the Association were John Bunn, Sylva First: John Spencer, Buff Creek: Charles Shuler, Big Ridge: and Douglas McFadin, Shoal Creek. Frank Anderson became Chaplain at the C. J. Harris Hospital. Ordained and accepting pastorates were Delos Blanton, Jr., Johns Creek and Earl Holden, Moses Creek. Glenn Nations became pastor for Unity, and Virgil Cook moved to Wilmont. While this may present a picture of 49 churches as a checker board with ministers jumping hither and yon, we know God's plan called each to make the move he did and God has blessed. For those who remained stable we think of Gibran when he said, "For even as He loves the arrow that flies, so He loves also the bow that is stable."

Change in the departments has also made for progress. Since most of these will be found in the reports from the various departments this report will make no effort to give detail. Each department was headed by a strong leader or director. Each department functioned and while some did not make as much progress as the leaders wished all departments did push forward.

The Deacons-Pastors have met quarterly under the leadership of Conrad Burrell and have probably eaten more than any other department. They have "eating meetings." The Ministers Fellowship, chaired by Dan Ward has met monthly in various churches. They have had a series of good programs under the direction of J. D. Wyatt and have enjoyed their own fellowship so much that they have finally let their wives join in. Next year they will be known as the "Baptist Ministers-Wives Fellowship" and will meet at the Lovedale Church on a regular basis.

"M" night was held in November under the Leadership of Ray McCall. Ray has some interesting plans for the Church Training Workers this coming year. The Missions Committee met on a regular quarterly schedule with a special called meeting to set some new goals. Read the Mission Report to get these details. C. H. Greene served as Chairperson for this group. The Executive Board has functioned effectively. These fellows have had some hard "nuts" to crack. Most problems either have been or are being solved in a satisfactory manner. The Simultaneous Revival and the Preachers' Revival were the outgrowth of the Evangelism Committee under the direction of Bruce Alexander. The good effects of these two undertakings have left their marks on the life of the Association. While the Brotherhood did not accomplish a great deal on the Associational level it did sponsor the organization of some new groups. Bruce has good plans and ideas for the coming year. The Sunday School work is ready for a big "take off" this year. Brother Greene, director, sponsored two Sunday School clinics in addition to making some definite plans to put action into the upcoming "Action Program."

Dan Ward had great success with the Vacation Bible School. Most of this workers attended the State Clinic in Wingate and returned to put on the clinic in this Association as well as one in Cherokee. "The best yet" is the term still being heard to describe the Tuckaseigee clinic. Rev. and Mrs. Paul Carden worked hard to get the youth work coordinated. Two clinics were held—one for the people who work with the youth and the other an Associational Rally led by the Rhymes with Reasons at Sylva First.

The WMU sponsored successfully the weeks of prayer for Foreign, Home and Association Missions. A WMU organization was started at Little Savannah. The annual meeting was held at Old Savannah Church with Mrs. Corbitt as speaker.

The Finance Committee under the leadership of Lewis Keener has done a good job. They have initiated a two signature check signing procedure as well as a monthly financial report. Churches have been encouraged to give monthly and to give generously. Several have res-

ponded and perhaps more will as the new budget year becomes effective.

Still another change was made and that was in the location of the Associational Office. The office moved from Scotts Creek Church, which has very generously provided space and facilities over several years, to an office above the Nantahala Light and Power Company. If you haven't visited us here please do. This summer we can really extend to you a "warm" welcome.

All leaders and Committee chairmen are to be commended for the excellent way in which they have carried out their responsibilities. They have really been the "spokes" in the Association "wheel" and have kept it moving forward. More reports have been turned in on time than usual. Church clerks, too, deserve a word of special praise for they have been unusually responsive.

It has been a good year in many respects. YOU the people—for you are the Association—have done what has been done and to you goes the credit. We are moving and we want to keep going. As we enter another Associational year let us remember 2 Timothy 2:15—"Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."

DEACONS-PASTORS REPORT
1975-1976

The Deacons-Pastors have held regular quarterly meetings. These have been held in several of the churches over the Association. These meetings have been well attended with interesting programs. Clifford Cagle and C. L. Proffitt have worked with Conrad Burrell, Director, in planning and implementing good programs. Most of the meetings have been dinner meetings with wives attending. It has been a good year.

Respectfully submitted,
Conrad Burrell, Chairman

HOME MISSIONS REPORT
1975-1976

"I say unto you, lift up your eyes and look on the fields, for they are white already to harvest." John 4:35. Who will go? The unsaved are stumbling in darkness, the pains of hunger are felt around the world. The elderly, the lonely and the outcast are neglected. It is hoped that SOMEONE WILL GO, JESUS DID! He gave us the way in completing the plan of Salvation, which is free to all. Whatever the situation, whatever the need, Jesus responded. In Isiah 6:8 we find this scripture: "Also I heard the voice of the Lord saying, Whom shall I send and who will go for us? Then said I, here am I, send me."

Much is being done in all areas of our home mission work. However, there is much more to do. God will bless and open new doors for those who will make themselves available in responding to his call. Money is still going in for Home Missions. Twenty-five churches responded last year. This year many of the churches in our Association have given, but some have not yet sent in their offering. The North Carolina Annie Armstrong goal for 1975-1976 is $875,000. As of June 1, 1976 only $754,531.09 has been received. Let your gift or an additional one be part of the $12,468.91! "Ring the bells of freedom in the work of our Lord and Savior—Jesus Christ.

MISSIONS COMMITTEE
1975-1976

Your Missions Committee has had all of its quarterly meetings during the past year. This Committee has the assignment to work with the Director of Missions in advising and in promoting the work in the Association. Your committee has been diligent in this area of service. At the March meeting the committee voted to have a special meeting on April 15 and to invite all pastors to attend, at which time a study of our Associational work was made. Many helpful suggestions were made. The meeting was well attended. A few of the areas of concern for the future of our Association are:

1. More of our churches should plan and pray to become full-time.
2. Our churches should provide their pastors with means to attend more of our Baptist meetings, especially the State Convention and the Evangelism Conference.
3. That we should each commit ourselves to a close working relationship in the Association and seek to build a good solid financial basis of operation. It each church could see fit to make monthly contributions our work could be greatly enhanced.
4. That more opportunities for training our people be planned, such as:
   A. School for deacons
   B. World Mission Conference
   C. Cooperative Program Workshop
   D. Church Music Workshop, etc.
5. It is our hope that every church will place our state paper in its membership through one of the plans. The "Recorder" will help our Baptist people know what Southern Baptists are doing and why.

C. H. Greene, Chairman
Missions Committee

CREDENTIAL COMMITTEE REPORT
1975-1976

The Credentials Committee examined three persons for the Gospel Ministry, Alvin Allen, Delos Blanton, Jr. and Earl Holden. After examining the candidates for their Christian experience, Doctrinal beliefs and call to ministry, the committee recommended Alvin Allen to the Jarrett Memorial Baptist Church; Delos Blanton and Earl Holden to the Ochre Hill Baptist Church for ordination.

STATE MISSIONS

Through State Missions our Baptist Churches support fifty-one different ministries. Briefly, here are three of them:

STUDENT SUMMER MISSIONS. "I want to sit in your lap." These are the words of a five-year-old girl named Candyce to a student summer missionary.

"When there are a dozen children around you it is difficult to limit yourself to just one five-year-old girl, said this student working at a Baptist Mission center.

The student later learned that Candyce's mother had died of cancer 18 months earlier, and

her actions were not a demand for attention, but a cry for love. Because of the funds you help provide there are more than 400 college young people sharing the love of Jesus across North Carolina this summer.

DEAF MINISTRIES. Charles was so lonely as a young deaf child he tried to teach his puppy sign language. Unhappy and frustrated he withdrew further and further into his silent world. Then Charles accepted Christ as Saviour and Lord while attending a camp for deaf people.

Later Charles Pearson became a deacon of Liberty Grove Baptist Church of North Wilkesboro, and recently he was ordained to the gospel ministry. He works across the state assisting North Carolina Baptists in reaching seven thousand silent friends.

FRUITLAND BAPTIST BIBLE INSTITUTE: Robert would fall into the "typical" category among his 220 fellow students; thirty-six years old, married (three children), a high school graduate, and a pastor for a number of years. He lives near the church he has served for three years, and commutes 88 miles a day to the Institute near Hendersonville. Fruitland is the State Convention's training center for men and women called to Christian service but unable to attend college and seminary. This ministry, too, is supported by State Missions.

Remember the State Missions Day of Prayer—September 19—and lead your church to give a worthy offering.

Respectfully submitted,
Luther Osment, Chairman
State Missions

STEWARDSHIP AND COOPERATIVE PROGRAM REPORT 1975-1976

The faithful stewardship of individual Christians and the missionary vision of our churches, expressed through their support of the Cooperative Program, enables Southern Baptist to maintain a growing World Missions Program. The stewardship theme for this year is "Bold Believers in Giving." Through the Cooperative Program we demonstrate our mission commitment.

For the Christian, commitment to the task that Jesus set forth involves a total way of life. This may be referred to as the Christian life style. One man said that as he turned his life over to the lordship of Christ and discovered the demands of discipleship, he suddenly realized that his house, his possessions, and his occupational skills belonged to Christ literally, and that they were to be used in trust to accomplish Christ's mission.

For the church, commitment to the bold mission task calls for a specific life style. Churches are stewards, too. The church must demonstrate a commitment to the mission task in the use of all possessions if it is to be true to the command of Jesus. Every church is challenged to increase annually the percentage of its income given through the Cooperative Program. Churches should consider prayerfully the 15 percentage increase suggested by the state convention for Cooperative Program and the increase suggested by the association for associational ministries.

During the past year the churches of our Association gave $16,225.88. Many churches have already increased the amount to be given next year. Others will as they work out their budgets. Will you show your love for the work of Christ around the world by joining in the BOLD STEP FORWARD in Cooperative Program giving.

Respectfully submitted,
J. D. Grant, Chairman
Cooperative Program

SUNDAY SCHOOL REPORT
1975-1976

This year our Associational Sunday School work has been gratifying in many respects. The first part of the year was given to "Pastor Director Conferences." The last two meetings were clinic type meetings on the new Sunday School Action Plan." One was held at Scotts Creek with Mr. Bob Riddle leading, the building was almost filled, and the interest was good. The last clinic was held at the Old Savannah Church with Mr. Riddle again leading. The new "Action Plan" offers our churches a new day in Sunday School enrollment all over the Southern Baptist Convention. Churches which effectively use the plan are growing by leaps and bounds. A report from Ridgecrest this week states that Southern Baptists will add 100,000 new members to Sunday School this year. Our Association could easily add 1/3 to its Sunday School enrollment this year.

Our Mission from our Master is still the churches marching orders, "Go teach" and the blessed promise follows, "Lo, I am with you always even unto the end of the world." The needs of our time calls for a new dedication to the teaching of God's Blessed Word, and to bringing in the lost that they may hear, as he has commanded us.

Respectfully submitted,
C. H. Greene, Director
Sunday School

TRUETT BAPTIST CAMP REPORT
1975-1976

Monday, June 28, 1976 was a historic day for the Truett Baptist Camp. On that day 102 campers registered for the third girls week of the season. Three years ago one-third of this number would have been considered a very acceptable week.

Futhermore, even a year ago handling a group this size would have been out of the question, but during this past year you helped make it possible to build a new cabin and double the size of another one. God is opening new doors of opportunity for us, and we are grateful for the way you have stood by us as we seek to walk through them.

Although there has been progress, we need you more now and in the years ahead than even in the past. Let me share with you some of our more pressing needs. Except for outdoor meals, the girls are eating in shifts because we do not have tables or serving trays to feed but half of this number. During the worship services a number are sitting on tables or on the floor because we have only 81 chairs. And during this third week more than a dozen slept on the floor since we do not have sufficient beds. Our camp pastor is commuting from home because the guest building is occupied by the missionary and we do not have a place to lodge him. How fine it would be if he could be in camp 24 hours a day.

It would also mean much if we could construct an outdoor worship center and we have pressing needs for repairs to the swimming pool. We know that you love Truett Camp just as we do and that you will be supporting us with your prayers, gifts and young people.

The records available for this past year may not be exactly correct, but the ones I have indicated that the following churches from this association gave financial donations: Greens Creek, Lovedale, Ochre Hill, Shoal Creek, Sylva First, and Webster. I hope that by this report time next year many others will be added to this list. We continue to be very thankful for the way God is blessing us through this avenue of ministry.

Respectfully submitted,
John S. Hyatt, Chairman
Truett Camp Committee

REPORT OF THE RESOLUTIONS COMMITTEE

The Tuckaseigee Baptist Association in annual session should consider the following resolutions:

1. We express our appreciation to the Hamburg and Long Branch churches for their hospitality during the annual meeting.
2. We express our appreciation to the officers who have served during the year and to the members of the Baptist State Convention and its agencies who have come to the annual meeting.
3. We express our opposition to the sale and advertisement of hard core pornography and that copies of this resolution be sent to the Sylva Town Council and to the Jackson County Board of Commissioners.
4. We express our opposition to and deep concern about immorality, dishonesty, and graff on the part of all people, especially those who are elected to positions of public responsibility.
5. We affirm our belief that it is the right of all media to carry programs of a religious nature and commend them for doing so.
6. We express our appreciation to radio station WMSJ for the free time they have given for church services and for daily devotionals.
7. We express our appreciation to the Sylva Herald for the excellent newspaper coverage of religious events and affairs in Jackson County.

PROPOSED BUDGET FOR 1976-1977

This is probably the largest budget ever proposed for the Tuckaseigee Baptist Association. The Executive Board voted in the June meeting to give the Search Committee the authority to use the proposed salary and benefits in discussing salary and benefits with our next Director of Missions. This accounts for $12,100 of the total budget, leaving $7,025 for all other expenditures.

We have done better this year financially than we did last year. Last year we had a total of 32 churches contribute $7,688.14. This year we had 35 churches contributed $12,745.08. Several pastors have indicated that their churches will give more this coming year, and also on a monthly basis.

Where does the balance come from? "Oh, ye of little faith." We hope to get additional help from the Baptist State Convention. Forty churches in our Association took in $572,098, last year. Surely we can meet a $19,000, budget.

The challenge is before us. Do we want to move ahead or sit still??? I pray God's work will go forward.

Respectfully submitted,
Lewis Keener, Chairman
Finance Committee

BRUCE B. ALEXANDER
1941-1977

On August 10, 1977 Bruce B. Alexander was buried in the Rock Hill Baptist Chruch Cemetery in South Carolina with many chapters of his life, as man sees them, unwritten. He died too young in the minds of those whom he left behind. However, in the Chapters of Life that he did write, he left an influence that will live on and on. He wrote little, spoke often and counseled untold numbers of men, women and children and stood as a symbol of moral and spiritual strength. His life represents a combination of reverence, frugality and toil. He belongs to the procession of hard working and God-loving servants of God. Bruce Alexander wrote his own funeral services in the kind of life he lived - enthusiastically searching, sharing and caring. Although he is gone he is still with us. His interest and enthusiasm for the work in the Tuckaseigee Baptist Association and for the congregations in the churches he pastored will provide a foundation for those who follow. He loved people and had much concern for their welfare whether or not they were members of his "church flock."

Now in an effort to honor and to pay tribute to him to whom God has said: "Well Done," we dedicate these, the 1977 Annual Minutes of the Tuckaseigee Baptist Association. God loved him and we loved him, too.

Shoal Creek Baptist Church

The one hundred forty-eight Annual Session of the Tuckaseigee Baptist Association was called to order in the Shoal Creek Baptist Church by the Moderator, Wesley Hooper at 6:30 PM. The Reverend Alvin A. Loiry, Jr., Director of Missions, gave the Devotional using scripture from the Book of Matthew pertaining to missions and the Great Commission. Hooper welcomed the 145 messengers and the six visitors. The messengers represented

26 of the 49 churches in the Association. He then thanked the host church for its hospitality and the delicious meal served just prior to the opening session.

The following business was dispensed:

1. A motion made by John Hyatt that the BOOK OF REPORTS be adopted as presented was passed.

2. The Reverend Douglas McFadin spoke on the Sunday School work. He stressed the importance of teaching the Work of God. The report is contained in these minutes.

3. Doctor Robert Bruhl was introduced by Loiry. Bruhl was a representative of the Baptist State Convention of North Carolina. He brought a report on State Mission work. He challenged the messengers to examine what they were doing for missions as missionary Baptists.

5. Sue Fitzgerald from Mars Hill College gave information concerning a display she had brought. She explained how the materials could be obtained and suggested some ways in which they might be used as "stretched materials" for workers to become better informed. The display contained materials for Seminary Extension, Deaconship and Pastoral Counseling, etc.

6. John Hyatt moved, seconded by Robert Blanton, that the Clerk, Annie Hoyle, be given an honorarium of one hundred dollars as compensation for her work as clerk. Motion passed.

7. The Reverend Clarence Vance who had served as Interim Director of Missions was thanked and recognized for the good work that he had done during his term of office.

8. Annie Hoyle recognized the clerks of the churches and commended them for the cooperation given in the preparation of the Association minutes.

9. The Director of Missions, Alvin Loiry, told of the twenty workers in the Association who would be contacting pastors for permission to go into their churches and explain the Bold Mission Thrust for State Missions. On Sunday, September 18, State Missions Day, churches are asked to call the Associational Office and report the amount received for this purpose. This date is to mark a special in-gathering but contributions will continue to be received after that date. Churches were urged to respond generously to the support of this special appeal.

10. The Reverend C. H. Greene moved that the Minutes of the Tuckaseigee Baptist Association for the 148th Session be dedicated to the memory of the Reverend Bruce Alexander, Pastor of the Hamburg Church. Motion passed. Alexander was killed in a motorcycle accident on August 7th.

11. John Hyatt as Vice Moderator and Robert Blanton, as immediate past Moderator, were recognized and commended for their good work.

12. C. H. Greene spoke briefly on the work of the Christian Action League, explaining that it was now well organized and ready to go to work when called upon.

13. Attention was called to the flowers in front of the pulpit. These had been given by the Ministerial Association in memory of Bruce Alexander.

14. Mrs. Mary Bennett, accompanied by Mrs. Roy Burnett at the piano, led the congregation in singing a hymn. An offering amounting to $87.68 was taken.

15. The sermon was brought by Douglas McFadin, Pastor of the Shoal Creek Church. He used scripture from Acts for his sermon topic entitled: "Who Art Thou Lord?"

16. The first session of the 148 Annual meeting was adjourned at the close of the sermon and a prayer led by Robert Blanton.

August 19, 1977
Black Mountain Baptist Church

1. The second session was called to order by the Moderator, Wesley Hooper at 9:30 AM on Friday, August 19th in the Black Mountain Baptist Church.

2. The Devotional was given by the Reverend Glenn Blanton, Pastor of the Black Mountain Church. He used scripture from the book of 2 Timothy.

3. Mary Bennett led the congregation in singing, "Amazing Grace."

4. Jack Holcombe, Pastor of Old Savannah Baptist Chruch and chairman of the Credentials Committee gave the report for that committee. The report is contained in these minutes.

5. E.P. McFarland brought a brief message from the Christian Action League and thanked the congregation for the prayers, the financial support, and the voting support that they were giving the League. He gave each pastor a Resolution to take back to his church. The Resolution read as follows:

A RESOLUTION

Whereas, the citizens of North Carolina voted by a two and one-half to one majority against liquor-by-the-drink in the state-wide referendum on November 6, 1973, and

Whereas, to believe there has been no substantial change in this sentiment, and

Whereas, the State A.B.C. Board has estimated that with liquor-by the drink there could be possibly 4,000 to 5,000 new outlets for the sale of whiskey in North Carolina.

Therefore, be it resolved that we the members of_____ _____, assembled in session on this_____day of_____ 1977, hereby do heartily commend our elected representatives to the General Assembly for their opposition to this proposal and urge that they vote against such legislation in the 1978 special session.

Be it further resolved that a copy of this resolution be spread upon the minutes of this organization and a copy sent to each of the members of the General Assembly from this district.

6. Douglas McFadin, a member of the Truett Camp Committee,

gave a report of the work being done there. The report is included in these minutes.

7. The report on work accomplished in the association was given by the Director of Missions. He summarized the work done by each of the organizations that make up the association. All of these reports are recorded in these minutes. He said that the Deacons-Pastors organization was the largest and most active of all the groups. A new organization formed to provide fellowship for the Pastors' wives meets simultaneously with the Baptist Ministers Fellowship group.

8. Loiry said that part of his philosophy of life was to meet the people where they are and walk with them seeking gradual improved ways to live for Christ. Loiry has represented the Tuckaseigee Baptist Association in meetings in West Virginia, at Wingate College and in the Area 10 meetings with Luther Osment.

He expressed appreciation for the good spirit shown by the sister churches and some individuals in helping the Big Ridge Church rebuild after a recent fire which destroyed the former building.

He said that the death of Bruce Alexander was a real loss to the Association. He took an active part in the work.

Loiry presented some challenges to the Association. He stated that a U.S.2er had been assigned by the Home Mission Board to work in the association for a period of 2 years. The major emphasis of this worker will be focused on youth work but music, camp ground ministries, and continued education will also be stressed.

9. Joe David Fore, Baptist Chaplain at Western Carolina University, introduced Marie Norton, as his assistant worker. Fore stated that he wanted, through the students at Western Carolina University, to become actively engaged in the associational work.

10. The Director of Missions, Alvin Loiry, expressed his thanks to the Deacons and Pastors for the new sign at the Associational office.

11. Dr. Carven Williams, President of Gardner Webb College, spoke to the Report on Christian Education. He told of the beginning of Gardner Webb College in 1905 with a gift of two acres of land and the old church building. Thus Gardner Webb started with facts that have meaning and significance as the college grows. He said that the gift of the old church building had meaning and significance in that (1) we meet for religious services regularly, (2) we require some basic courses in religion, (3) we provide counseling and (4) we have rules and regulations. Because Gardner Webb does these things, it is a growing institution without the aid of government funds, which further strengthen our Baptist way of life in that we are self supporting.

12. Hugh Starnes gave the report on the Baptist Childrens Homes. He said that the greatest needs at present was for Foster Homes and Emergency Care Centers in this area. The nearest Emergency Care Center is at Forest City. Approximately 1/5 of the children enrolled at the Broyhill Home are from the Tuckaseigee Baptist Association, he said. He urged the churches to give stronger support and extended an invitation

to all to attend the Area Conference to be held at the Broyhill Home on Thursday, September 8.

13. J. D. Parker read a list of those churches that had increased their giving to the Baptist Hospital for this year. The Report on the Baptist Hospital was given by Calvin Knight. He gave illustrations to supplement the statements made in the Baptist Hospital Report contained in these minutes.

14. The Financial report was given by Robert Blanton. Annie Hoyle gave the Treasurer's Report.

15. At the conclusion of a congregational song "How Firm a Foundation" Glenn Blanton, introduced Alvin A. Loiry who, in the illness of Eddie Stillwell, brought the morning message. Loiry used scripture from 2 Peter and 2 Timothy. The sermon concluded the morning service.

16. A delicious luncheon was served by the members of the Black Mountain Church in their new Fellowship Hall.

17. John Hyatt, Vice Moderator, called the afternoon meeting to order at 1:00 PM.

18. The devotional was given by Max Smith, Pastor of Buff Creek Church. He likened the Tuckaseigee Association to the Bible in that they are "God's people with a great future." He said that if we could just get Jesus in the right place in our lives, then everything else would be right.

19. Hyatt expressed appreciation and thanks to the Black Mountain Church for its warm hospitality and for the good meal.

20. Ralph Cannon brought the report on the Homes for the Aging. He pointed out the dire need not only for the new home under construction in Asheville but for other homes not yet begun. He said that there were over 700,000 people 65 years of age in North Carolina with only seven Baptist Homes for the aging to care for those who needed help. These homes can accommodate only 207 residents. The need is great - here is an opportunity for the people to show their love and respect for aging members who need help.

21. Frank Anderson, Chaplain at the C.J. Harris Hospital, gave a report on his work in the hospital. The report is recorded in the minutes. Anderson requested Dr. John Bunn, Pastor of Sylva First Church, to relate a personal experience he had had recently in helping a patient in Texas receive Christ.

22. Hyatt expressed appreciation and thanks for the Tuckaseigee Baptist Association to Wesley Hooper for his year of leadership and good work as moderator.

23. Glenn Blanton, Chairman of the Time, Place and Preacher Committee gave the report for that committee. The report is recorded in the minutes.

24. Conrad Burrell, Chairman of the Nominating Committee, presented the slate of officers for the Tuckaseigee Baptist Association for the next year. He moved that the slate be adopted as read. Motion passed.

25. The Congregation, led by Harry Vance, sang "Victory for Jesus."

26. The second session was concluded with a memorial service presented by Annie Hoyle and assisted by Lucille Painter, Jerry Carringer, and Jane Beck.

27. The Vice Moderator declared the adjournment of the 148th Annual Session at 2:30 PM. The second session was attended

by 78 messengers and four visitors. Twenty-one of the forty-nine churches were represented.

ANNUITY BOARD REPORT

In 1976,the Annuity Board of the Southern Baptist Convention recommended a new retirement program which was approved by all the state Baptist Conventions. The new program called the Southern Baptist Retirement Program will go into effect January 1, 1978.

Detailed information will be presented to churches in the early fall with a ROUTE 10 promotional theme, according to Darold H. Morgan, president of the Board.

The Board paid $17,138,343 in benefits to 11,925 widows, retired or disabled members in 1976. A 13th check amounting to one month's income was mailed for the eleventh time to annuitants. The combined amount of this extra benefit came to $830,525.

Most members benefit from a decision to increase the interest rate for figuring retirement benefits. Annuitants began receiving larger checks as of January 1, 1977.

For almost 45,000 members, the Board held in trust funds totaling $472,218,669 for retirement benefits for the year ending 1976.

The Annuity Board also administers life, medical and disability insurance programs, which reflected increases in membership.

In North Carolina as of March 31, 1977, 2787 staff members of 2196 churches and associations are participating in the Southern Baptist Retirement Program; 2491 in the Family Benefit Section; 1275 in the Age Security Section and 240 in the Variable Benefit section.

CHRISTIAN LIFE AND PUBLIC AFFAIRS

The Christian Life Council majored on two aspects in 1977, the family and legislative issues. W. Douglas Cole became director of the Christian Family Life Department January 1, 1977. Under his leadership, the Council sponsored marriage enrichment retreats, ministers-wife retreats, parenting workshops, conference for engaged couples, sex-education conference and promoted the National Single Adult Conference at Ridgecrest. In addition, many tracts on the family were printed and distributed among North Carolina Baptists.

Since the General Assembly was in session during 1977, the Council was involved in a number of issues. Some of the issues were assigned to the Council by the Convention. Other issues were suggested by the twenty persons who comprise the Council. Some of the legislative concerns were pornography, liquor-by-the drink, captial punishment, Equal Rights Amendment, chaplains for prisons, etc.

The Council also sponsored a state-wide workshop on death and dying, particularly as it related to euthanasia (easy death) or, as it is commonly called, "mercy killing."

Numerous calls from Baptist for help on social issues keep being received and responded to. The Council attempts to provide information on how to apply one's Christian faith to everyday life.

America suffers from a crisis in morality and integrity. Only as Christians live out their faith will a lost world be improved and changed. To that end the Christian Life Council is dedicated.

THE NORTH CAROLINA BAPTIST FOUNDATION, INC.

The establishment of the North Carolina Baptist Foundation as an agency of the Baptist State Convention of North Carolina was approved as an agency of the Baptist State Convention of North Carolina was approved in 1919 and chartered in 1020. The objectives of this agency of the Convention were clearly stated in its charter: "1. To promote the making of gifts..."2. To receive, own, hold, administer, and distribute gifts of any kind...."

The Foundation continues to strive toward fulfilling the objectives stated in its charter. In so doing it will serve more as a foundation, as foundations are presently defined. As trustee, the donor or benefactor makes decisions relative

to specific or general recipients of trust income.

The growth of assets held was slow in the early years and reflected directly the amount of time given to promotion by lay volunteers interested in the endowment of Christian ministries of the Convention. At no time in its history has the Foundation idea lacked respect of denominational leadership in that it was undergirding the financial support of all Baptist mission endeavors. The total assets held have grown from $2,000. in 1920 to $3,696.612. in 1977.

The Foundation is the only agency or institution receiving its total operating budget from the Cooperative Program. Its fifteen member Board of Directors is elected by the Convention, three each year selected for five year terms. The Directors through an Executive Committee has responsibility for reviewing budget needs and recommending its request to the General Board Budget Committee.

The staff consists of the following employees: the Executive Secretary, Edwin S. Coates; Director of Estate Planning, Sara Ann Hobbs; Staff Assistant, Dianne Babb; Treasurer, Leon Spencer; and the Legal Counsel, Tom Dimmock, a Raleigh attorney, who is retained for frequent consultation and for preparation of contracts, agreements and other matters related to the work of the Foundation.

The emphasis of the Foundation is Stewardship.

There are three prime methods now utilized through which gifts of possessions can be transferred to benefit Baptist endeavors. The most frequently used, and the source of most assets now held by the Foundation, is the testamentary gift. A gift in which the transfer from an estate to the charitable cause is done by statement in a will. The second method - the charitable remainder trust has proved to be a valuable instrument to encourage life-time transfers of assets. The third method is through the living charitable trust. An outright gift of assets, where income or principal is immediately available for charitable causes, provides many benefits both to the donor and to the ministry being supported. In some instances, the residual estate to heirs can be increased through this method of giving.

"Through our investment in the Foundation that supports the Cooperative Program permanently, we now ARE the Cooperative Program."

EVANGELISM REPORT

"Bold in Creative Witness" was the theme of the 31st Statewide Evangelism Conference at the War Memorial Auditorium, Greensboro, during February 7-9, 1977. About 2,400 pastors and lay persons were present to hear the challenging messages of the evangelistic speakers.

Over 500 youth and adults came to the North Carolina Baptist Assembly for the Youth Ministry Week - June 13-17, and many

different types of decisions for Christ were made public by youth. The emphasis was on youth evangelism, and vocational guidance.

About 12,000 youth, pastors, and adult leaders are planning to attend the 7th Statewide Youth Evangelism Night - August 19 - at the Greensboro Coliseum. Jim Wilson and Larry McFadden of Orlando, Florida are the guest preacher and soloist. All youth who make decisions are contacted by pastors and adults with regard to specific follow-up counseling.

Thirty-six churches across the state are having one week youth revivals and youth witness training under the direction of four Summer Youth Evangelism Teams.

Excellent reports have been received on Lay Renewal Weekends and Ministry Evangelism Weekends in various churches. The Division of Evangelism cooperates with the Brotherhood Department in this phase of the work.

Associations and churches are now involved in the Youth Evangelism Strategy which includes these four areas: Leadership Family, Touch Ministry; Discipleship Groups; and Joy Explosion. W.O.W.- Win Our World - Has to do with specific witness training for youth in the local churches.

Sixty-five associations have participated in one week Lay Evangelism Schools in recent years with over 14,400 youth and adults receiving lay witness training from 1,175 churches.

Several thousand persons have attended evangelism clinics and conferences held in associations across the state.

The 32nd Statewide Evangelism Conference will be held at War Memorial Auditorium,Greensboro, on February 6-8, 1978.

Several of the pastors from the Tuckaseigee Baptist Association attended the Evangelism Conference in Greensboro on February 7-9, 1977. They reported a great conference with challenging messages.

Due to a number of reasons the Ministers Revival was not held as scheduled. However, most of the churches did conduct very successful revivals within their own congregations with excellent results. Some very outstanding persons led some of these revivals. Several of the smaller churches joined hands in holding revivals, moving speakers and congregations from church to church each night throughout the time of revival. This movement resulted in new converts, re-dedications and warm Christian fellowship among the peoples of the several communities involved.

BIBLICAL RECORDER REPORT

What is perhaps the greatest challenge faced in all the history of Southern Baptist is before our people for the remaining 23 years of the 20th century. It has been called "Bold Missions Thrust," and the success of the venture is yet to be determined. There is no doubt concerning the importance or the motivation for the undertaking, but there is uncertainty

as to whether the motivating message will be successfully communicated to some 13 million Southern Baptists, and to our more than 34,000 churches. Without adequate communication channels, the program cannot succeed.

The heart of the program is to evangelize and congregationalize the world's population, and the thrust is confronting all human beings everywhere with the gospel, and affording them the opportunity of knowing and trusting Christ as Saviour, and then leading them to understanding of His Lordship.

The program is so big, and the challenge so great, that every Baptist must be involved to make it successful. Not since Jesus presented His disciples the goal of going into all the world has such boldness been demonstrated.

The most difficult problems faced in our churches are related to communications. When people are uninformed, poorly informed, or misinformed, they get into trouble. When they know what is taking place in their local congregation and in the denomination, interest is generated and cooperation results. Openness is their fore important, and the purpose of the BIBLICAL RECORDER is to keep Baptist church members informed concerning involvement in their denomination, and in the Christian world.

In light of developments presently underway in our denomination, it is important that every Baptist church member in N.C. receive the BIBLICAL RECORDER weekly. Already more than 1100 churches in our state are providing through their budgets for the RECORDER to go to all resident families. The Southern Baptist Convention has adopted a circulation goal of eight million for state papers by 1980. The SBC believes that every Baptist family ought to be receiving its state Baptist paper. RECORDER circulation approaches 120,000 but should be increased in the immediate future to 150,000.

If your church is not sending the RECORDER to resident families at the present time, arrangements should be made immediately to do so. Costing less than half the price of a postage stamp per issue, it is delivered by U.S. Mail directly to your home address.

The RECORDER doesn't cost; it pays! Your church will be a healthier congregation if you provide the RECORDER for your resident families. It is the most widely read piece of literature received by North Carolina Baptists. No investment pays greater dividends.

BAPTIST MINISTERS FELLOWSHIP REPORT

Regular monthly meetings of the Baptist ministers of the Tuckaseigee Association were held during the year, with the exception of three months. These meetings are scheduled for the second Tuesday of each month. Under the guidance of Program Chairman Bruce Alexander, some interesting programs were presented. Sermon outlines were shared by several of our pastors. Inspirational messages were preached by some local pastors and also by visiting ministers.

Regretfully, attendance has not broken any records. In an effort to stimulate a larger attendance, meetings were held at a central location: Lovedale Church for the first part of the year and Scotts Creek Church the remainder of the year.

One innovation that has been helpful was the decision of the ministers' wives to form a group and have monthly meetings. At several of the meetings, covered dish suppers were enjoyed by the combined groups.

REPORT OF MINISTERS WIVES' FELLOWSHIP

The Ministers' Wives' Fellowship was organized during the past year with the meetings being held simultaneously with the Ministers' Fellowship, thus making it convenient for those who live a good distance or who don't drive. We feel that we need this time of fellowship to get to know and to uplift one another. Our program chairman, Mrs. C.H. Greene, has presented some very interesting programs and discussions. It doesn't take us long to become friendly and find a common ground of conversation.

One common thread binds us together. We love the Lord and we have a special love and concern for one of the Lord's annointed. Our purpose is to try to equip ourselves to be better helpmeets for our husbands.

BAPTIST HOSPITAL REPORT

The beautiful stained glass window in the front of Davis Chapel at Baptist Hospital has three large panels, each depicts an aspect of Christ's ministry: Healing, teaching, and preaching. The window serves as a reminder to the staff that

Baptist Hospital has also been commissioned to this threefold task.

The hospital's primary task, obviously, is healing and it attempts to obtain and use the best personnel and equipment available for the healing task. The medical staff consists of competent, dedicated men and women in all the various specialties of medicine. Persons with rare and complicated medical problems are referred to Baptist Hospital by their family physicians for treatment. Last year 158,863 visits were made in the hospital's Out-patient Department and the Bowman Gray Department of Clinics. There were 22,365 admissions to the hospital for a total of 193,942 patient days. These patients came from 90 counties in North Carolina, from 29 other states and from 3 foreign countries.

Baptist Hospital is also involved in teaching. In cooperation with the Bowman Gray School of Medicine of Wake Forest University, it helped to train 1,188 students last year for careers in medicine and allied health fields. In addition, there were 87 graduate students in the basic sciences. The hospital also provided clinical facilities for 483 student nurses from 3 nearby schools of nursing and for 120 students in other allied schools. The School of Pastoral Care last year enrolled a total of 75 students in various levels of Clinical Pastoral Education.

The hospital also has a preaching ministry. There is preaching in the formal sense at least four times a week in the worship services held in Davis Chapel. In a less formal sense, the Christian Gospel is proclaimed daily by staff, students, patients and others who witness to their faith in word and deed.

In all of these ministries, Baptist Hospital is mindful of its Christian heritage and its strong tie with the Baptist State Convention. This tie is maintained and strengthened through the services of capable, dedicated trustees who are elected by and are responsible to the Convention. The tie is also strengthened through the financial support from the churches; last year $294,324 was received through the Cooperative Program and $405,947 through the Mother's Day Offering.

REPORT OF THE HOSPITAL CHAPLAIN
1977

The ministry of the Chaplaincy in the C.J. Harris Community Hospital is made possible by the voluntary cooperative effort upon the part of the majority of the Christian denominations in Jackson County. A standing committee of the Jackson County Minister's Association supervises the Chaplaincy Program.

The challenge to the program is seen in the 4,235 patients which passed through the hospital from July, 1976 to June 30, 1977. This is an average of 353 patients per month. Here were 4,235 opportunities to mediate the compassion of a loving heavenly Father.

During the past year 41 churches, 4 individuals, and 2 institutions gave $4,115.08 for the Chaplaincy. This represents an increase of 17 churches over the preceding year. The increase in gifts was $1,572.04.

You may support this ministry through your church budget each month or by special and designated offerings. Individuals may participate by memorials or general contributions to Hospital Chaplaincy Program, 59 Hospital Road, Sylva, NC 28779.

BAPTIST CHILDREN'S HOMES

Dr. W. R. Wagoner, president of the North Carolina Baptist Children's Homes states in report for the year that the drastic changes in the life styles of our day are requiring multiple ministries in order to meet the needs of families and children. The American family today is in trouble, but its situation is not hopeless. Positive contributions can be made to strengthen the home as more effective ways are discovered, by this agency, to minister with pastors, churches, and other agencies which have a concern for the well-being of the family.

The purpose of this Agency is the care of dependent, neglected and homeless children, emotionally disturbed children; unwed mothers and their children; and the rendering of related services to their relatives. The Agency is also dedicated to working with other agencies, institutions and programs, in an effort to strengthen wholesome, Christian family life throughout the state.

In 1976 the lives of more than 4,300 people were affected in

a significant way by the services of the Children's Homes. The Homes provided care and related services for 1,683 children. Of this number 1,217 received continuing services while 466 received casework, counseling, and referral services. Applications for 70 children were in process of evaluation at the end of the year.

Through members of the staff, a close working relationship was maintained with 2,396 adults while working with the children. Consultant services were provided more than 300 other adults through Child Development and Family Education services.

The four centers of operation in the Piedmont Area providing the full range of services to families and children in need are: the Mills Home at Thomasville; the Emergency Home at Burlington, the Emergency Home and Social Work Center at Charlotte; Wall Home at Wallburg.

In the Eastern Area are located the Odum Home, the Emergency Care Home in Henderson and the Kennedy Home. In the Western Area the Broyhill Home has served to strengthen all phases of our work in Western North Carolina. A fifth cottage completed during the past year increases the Broyhill campus capacity to sixty children. The Thermal Belt Youth Shelter, opened last year in Forest City, serves a new and different need for children in crisis situations.

Many girls, facing the problem of the unwed mother, continue to be helped through the Maternity Home in Asheville. It is recognized for its quality of care and Christian concern.

The Child Development Center enlarged its services to offer a day care program for school aged children during the summer and a group of two year old children for year-round participation.

A staff of twenty-two social workers live and work out of eleven centers located across the state. Social work services are available upon request to families any place in the state needing our assistance.

More than forty-two percent of the basic, dependable support of the Homes continues to come from Baptist churches through the Cooperative Program, special gifts, and the Thanksgiving offering. Special gifts from individuals, families, businesses, and industries increased during the past year for forty-four percent.

Interest in our estate planning services is growing. Annuties and charitable trusts are increasing.

Attendance at area conferences and special promotional meetings has been the largest ever.

Tom Clayton of the Tuckaseigee Baptist Association continues to serve on the Board of Trustees as representative from the Western Area. Several churches and mission groups in the Tuckaseigee Association have visited the Broyhill Home and have for special occasions - birthdays, Christmas, etc- adopted children for special attention. The large attendance in September 1976 at the Area Conference at Broyhill testifies to the interest of the people of the Tuckaseigee Association in the work being done at Broyhill.

W M U

The year 1976-77 found the women of the W M U organization busily involved with missions on all levels. Each year we have become more and more concerned about missions but this year was special since we have been trying to "Grow A-Know-Body" through the Read-A-Thong. The purpose has been to inform and to enlighten members about missions so that they might have a better understanding and knowledge of the work. We believe that if we know we ARE concerned.

On the Associational level we held the annual meeting in May at Sylva First with Frances Snow as speaker. The fall leadership conference was held with the Webster Church with our own directors leading. The regional meeting in Andrews was led by the state workers. Attendance was good at all of these meetings.

At the Annual meeting Sue Fitzgerald brought a beautiful display of all WMU materials which added greatly to our "Grow-A-Know-Body" idea.

The WMU Council composed of the Directors of the age level groups, held quarterly meetings for planning and projection. These meets have resulted in a collection of various materials-maps, film strips, flags of countries having missionaries and a Carousel for the use of the churches in the promotion of mission work and in their own programs.

"Go-Tell" our WMU communications newsletter has gone out at least quarterly plus a few additional issues. So far this means of communicating has been mailed to the directors and officers only in the various organizations on a regular basis. Perhaps in the future this information can be sent to each WMU member.

The Moses Creek women formed our newest organization. This group was given special recognition at the annual meeting. We now have 23 active WMU organizations in the Association.

The Executive Dinner at Christmas was sponsored by the WMU and served at the Cullowhee Church.

Again most of the organizations went over their goals in the Lottie Moon offering for Foreign Missions. The Annie Armstrong Easter Offering for Home missions also received whole hearted support.

Age level directors have been active in their leadership capacities. A Day Camp for Mission Friends and GA's was held at Camp Truett. The B W and B Y W have encouraged prayer retreats in the individual churches. They also guided the programs in connection with the weeks of prayer for special events.

But all of this in now prologue. While it depicts activity and interest and achievement a great challenge lies before us. The Bold Mission Thrust is indeed a challenge and opens many avenues for WMU work. Indeed! "The Field is White Unto the Harvest."

The leadership for 1977-78 on the Associational level is composed of the following: BW: Mildred Cowan, BYW: Alma Pullium, Acteens: Sharon Proctor, G.A.: Virginia Pangle and Mission Friends . We shall be hearing from these dynamic leaders. Let's back them in God's work.

TRUETT BAPTIST CAMP REPORT

We are happy to report that the interest in the Truett Camp from our Association and the region has continued to grow during this past year. There have been 15 churches from this Association participated in some form, and to date 700 boys and girls from the region have attended. Brother Crawford, the Director, reports that they have had 84 conversions. So it has indeed been a great blessing to the lives of young people in our area. This certainly indicates that our dollars and interest to the support of Truett Camp are indeed well spent.

There have been several physical improvements made as new tables, chairs, and mattresses have been added, an outdoor grill, and a very pretty new sign has been erected. The dormitories have been refloored and painted. This past cold winter did considerable damage to the pool, but this has also been repaired in good order. We still have several projects that are badly needed. Two pressing ones are the staff cottage and an outdoor worship center.

The Association expresses its gratitude to Reverend Crawford for the fine job he is doing and to Reverend Douglas McFadin of our Association who is now chairman of the regional Truett Camp Committee.

May we continue to support the Truett Camp with our means, our children, and our prayers.

Respectfully submitted,
John Hyatt, Chairman
Truett Camp Committee

BROTHERHOOD REPORT

While the Brotherhood Department on the associational level did not function actively, the work within the individual churches was active. Several churches organized RA and Pioneer groups which are growing rapidly. It is hoped that these organizations will stimulate new interest in the Brotherhood work

The "Bold Thrust" movement in missions should be a catalyst for the Brotherhood work and its auxiliary groups.

DEACONS - PASTORS

The Deacons and Pastors have held regular quarterly meetings. These are supper meetings with the host church providing the meal.

The program chairman, Lewis Keener, has provided interesting and provocative programs. The October meeting was held at the Webster Baptist Church with Dr. Cecil Ray as speaker. A large

number of persons attended. The January meeting was held at the Jarrett Memorial Church with special music program and the Revs. Ralph Cannon and Cloy Starnes as speakers. They presented a most informative program on the North Carolina Baptist Home for the Aging at present under construction in Asheville. The attendance was good with 19 churches being represented by 104 people. At the Cullowhee Baptist Church, the Rev. Sam O'Neil made a very informative and timely presentation of the Annuity Program. At this meeting 15 churches were represented with a total of 62 members present.

The July meeting is scheduled for the 29th at the Greens Creek Baptist Church.

This has been a good year for the Deacon-Pastors and their wives.

ASSOCIATIONAL STEWARDSHIP-COOPERATIVE PROGRAM REPORT

Will you lead every member of the church where you serve to give a tithe or more of his income into the church treasury and lead the church to give the suggested amount to the Association plus giving from 10% to 50% of church receipts through the Cooperative Program?

The Southern Baptist Convention theme for this year is "Bold Missions." Commitment to a bold mission task calls for specific action on our part as individuals and churches. During the past year, the churches of our association gave $33,584 through the Cooperative Program. Last year our churches gave $16,226.

WE RECOMMEND THESE GOALS:

1. Every church in the association BOLDLY ADVANCING THEIR GIVING through the Cooperative Program for world mission support.
2. Every church in the association increasing the percentage of the total budget income given through the Cooperative Program.
3. That every church seriously consider its responsibility to develop Christian stewards and determine to elect and train a stewardship committee to assist the church in developing Christian stewards.
4. That every church conduct a stewardship emphasis this year.
5. That an associational stewardship conference be held in order to assist churches in planning and conducting their programs.
6. That every church double Cooperative Program giving and associational missions giving by 1982.

Respectfully submitted,
J. D. Grant, Director
Cooperative Program & Stewardship

SUNDAY SCHOOL REPORT

Training opportunities were given high priority this past associational year.

Our association hosted two such opportunities this year. In October 1976 a workshop for age group workers was held in Sylva with the State Staff leading the sessions. It proved to be a meaningful learning experience for every person involved.

Also, a teaching-learning workshop was held in May 1977 at the First Church in Sylva. Again our state staffers did an excellent job of training people in our region to teach the eternal word of God.

As we look ahead may we continue to train lay persons from every church to effectively teach, whatsoever Jesus has taught us.

Thank you for the privilege of serving you as Sunday School Director this year.

Respectfully submitted,
Douglas McFadin, Director
Sunday School

CAMPGROUND MINISTRY

Eight million tourists passed through our area in the summer of 1977. What an opportunity to touch lives through resort ministries.

To my knowledge there are few churches who are taking advantage of this opportunity. Shoal Creek Baptist Church reached approximately hundred fifty people with worship experiences in Tipton Shoal Creek Camp Ground this year. Campers are not always prepared to come to our sanctuaries, but we can go provide worship experiences for them on the location.

Looking outside Jackson County, T. Gilbert, a State Missionary, conducts resort ministries in Cherokee proper. He trains his youth to go into camping areas and conduct worship services. Also, Brother Gilbert leads an early morning worship for resort employees at the Indian Village.

The Home Mission Board has appointed a U S -2er worker to Jackson and two other counties. This person will seek to organize new youth work and strengthen existing programs. One priority of this youth program in this area will be resort ministries.

May each church lift her eyes to see the multitudes about her and design resort ministries to reach these people who may pass this way once.

Respectfully submitted,
Debbie McFadin, Director
Campground Ministries

REPORT OF THE DIRECTOR OF MISSIONS

The association extended the call for this position, effective June 1, 1977. We arrived on the field on the night of May 26. My first opportunity of service was to supply the pulpit on the night of May 29 at Old Savannah Baptist. I was present for a planning meeting for directors of missions with Luther Osmet, Area Missionary, on May 31. My first day in the office was June 1. This report is for only approximately six weeks of the associational year; however, we have found much to do. The Home Mission Board enrolled me in a special school which covered two weeks of study at the University of West Virginia. I was involved in a meeting of Associational Directors of Missions and Convention staff at Wingate College. My wife and I have visited in several of the churches for worship and VBS programs. There are many ministries which claim our attention. As the new associational year begins we will be meeting with churches, committees and associational leaders to assist in these ministries and programs. I want to thank all who helped us to make the transition from our work in Santa Fe, New Mexico to the Tuckaseigee Baptist Association.

INTERIM-DIRECTOR OF MISSIONS REPORT - 1977

MISSION INCOMPLETE BUT NOT IMPOSSIBLE

This is the feeling of my heart as I review my ministry while serving as your interim-director of Missions for a part of this associational year. Marie and I wish to express our appreciation for the privilege of coming back home, renewing so many acquaintances and making new friends. We were delighted with the warm welcome and wonderful spirit with which we have been received everywhere we have been able to minister.

WORKING AMONG THE CHURCHES

In accepting the work the committee said, "Since you will be working on a part time basis, we are not making many suggestions but feel that you should work where you see the greatest needs and seek to keep the churches informed of denominational activities through the Associational Newsletter." This I sought to do and will not make a detailed report of all the work. But my records do show that I ministered directly to 20 churches, assisted in planning, promoting and/or attended 16 associational meetings, attended 7 denominational meetings outside the association, assisted in printing and mailing over 2100 news letters and traveled over 9000 miles.

COOPERATION AND CONCERN

I am grateful for the cooperation shown by most of the pastors and other church leaders who have shown their love, concern and support of all the Associational work. A special word of thanks is offered to Wesley Hooper, Moderator; Annie Hoyle, Clerk & Secretary; John Hyatt and the Search Committee; Douglas McFadin & the Missions Committee; J.D. Wyatt, President of the Pastors' Conference and many, many others.

REGRETS AND SUGGESTIONS

I regret that I was unable to accept every invitation and worship in every church. I regret also that some of the pastors and churches did not find it in their hearts to promote and participate in the programs and meetings of the association. In all my experiences of the past I have observed that the pastors' ministry has been more meaningful and lasting and the growth of the church greatest as they were involved in the work of the associations. I want to suggest that every church encourage and expect their pastors and other leaders to be more involved in the work of the Tuckaseigee Association. I thank God for the association and for all those people who have labored and loved it throughout the years and what they have meant to my life and ministry. May we continue our support and participation as we work together for the glory of God.

AL AND CHRISTINE LOIRY

All of us are delighted that God has led them back to our Association and that Al is now Director of Missions. We are also grateful and pleased at the warm and wonderful Christian spirit which is being extended to them as they return to work among us. We think they are two wonderful servants of the Lord with much training and experience and we know the Lord is going to bless them in this ministry.. Call upon them welcome them to your churches and homes, and allow them to be used in the programs of the association and the churches.

Respectfully submitted,
Clarence O. Vance

ASSOCIATIONAL MISSIONS

With the resignation of Walter Middleton, Director of Missions, in April 1976, the Tuckaseigee Baptist Association was left without a leader for a period of approximately eight months. The 1976 year's work was completed under the capable leadership of Robert Blanton, Moderator. Annie Hoyle carried on the office work. The Annual Session was planned and carried out in a most effective and satisfactory manner. Following the Annual Session Wesley Hooper took the lead as moderator. In his quiet, effective way he visited churches, presided at meetings and took care of business. In his visits to the churches he informed the people of their obligations and responsibilities to their Association. As a result financial contributions were made by some churches that had contributed very little or nothing previously. A new interest was felt.

The Finance Committee, under the leadership of Jack Hinson, Chairman, held a meeting to discuss the possible potentials and the directions to be taken financially. A monthly financial report became a part of the newsletter. Churches were urged to give regularly on a monthly basis and several responded. The Baptist State Convention increased its contribution to the maximum for associational support. Luther Osment's "know how" and enthusiasm played a major part in this. The appropriation which was stopped with the resignation of Walter Middleton was reinstated in December after the coming

of Clarence Vance.

As usual there was some changes made in pulpits. Several of the pastors resigned - some leaving the Association, some taking other churches in the Association while some did not take another pastorate. Those leaving for pastorates outside the association were: John Spencer, Tommy Owens, Lester Sutton, and Delos Blanton, Jr.

In the fall of 1976 the Search Committee, John Hyatt, Chairman presented Rev. C.O. Vance's name to the Executive Committee as a possible Interim Director. Rev. Vance was elected and began his duties on November 1 as a part time Interim Director. His enthusiasm along with his rich, broad background of experiences pushed the Associational work ahead by leaps and bounds. He came as a part time person but his popularity was so great and his information and "know-how" so fluid that very soon he was in such demand both in the association and out that his time was completely filled.

On Jule 1, 1977 the Rev. Alvin A. Loiry, Jr. returned to Jackson County and the Tuckaseigee Baptist Association as a full time Director. His own report of the work is given in a report by him following this report.

The Association office was moved from the Scotts Creek Baptist Church to a suite of offices in the Ferguson Building in downtown Sylva in March 1976.

Respectfully submitted,
Wesley Hooper, Moderator

MISSIONS COMMITTEE

Your Missions Committee held its quarterly meetings in an effort to plan and promote associational activities. These meetings were generally well attended this year.

Since each officer is asked to report on the progress in his area I would like to use this report to voice some concerns of your Mission Committee.

It is our hope that more of our churches will actively support and participate in associational concerns.

It is our hope that all of our churches will rally about the common cause of the Great Commission forgetting insignificant differences.

It is our hope that our association will examine the need to become more efficiently organized for the work of Christ.

It is our hope that every church will prayerfully support our new Director of Missions, Rev. Alvin Loiry, Jr.

These are just a few of the concerns of your Missions Committee as we begin a new associational year.

Thank you for the honor and privilege of having served as the chairman of your committee. Many thanks to each committee member for their participation and interest.

Respectfully submitted,
Douglas McFadin, Director

HOME MISSIONS

Thinking of Home Missions and looking back to the Bicentennial Year; Christians here in America are blessed with freedom as no other nation. We are also reminded of the sacrifices that have been made by those who went on before; so that, this freedom could be ours. Christ gave his life freely that we might have freedom from the bonds of sin. We are reminded to ask ourselves the question: Just how grateful are we? We read the scripture, "Feed My Sheep" (John 21:15-17). Jesus asked this three times. How many more times will he ask us before we respond to His call to our Home Mission needs?

There is such a great need in all phases of our Home Missions work. In Paul's writings we find this request: "Come over to Macedonia and help." (Acts 15:9) Yes, people are in need of love, friendship, kindness and sometimes just a smile. God uses all men and women in different ways, depending on each ones ability and circumstance. Will we answer His call and not let another year go by without the goal being reached for our Annie Armstrong Easter Offering.

If we really appreciate our freedom and what our Saviour did for us, let us stand up and be with those to whom God will say, "You have fought a good fight, you have kept the faith; henceforth there is laid up for you a Crown of Righteousness." (2 Tim. 4: 7-8.)

STATE MISSIONS

1976 HAS BEEN A YEAR OF COOPERATION. The celebration of the American Bicentennial emphasized the cooperative spirit of this nation. What Americans share in common outweighs their diversity. We are a United States because we are cooperative states.

Cooperation and diversity are cherished principles among Baptists. One hundred forty years before the nation's beginning a Baptist leader, Roger Williams, opposed coercion in matters of religion. The broad principles of religious liberty, later guaranteed to all Americans, led to the founding of Rhode Island. Three years later, in 1639, the First Baptist Church in America was established there.

Cooperation and diversity are also basic to the Baptist mission program. We are a state convention of 3,458 autonomous churches coming together"... to promote missions, evangelism, education, social services." The Convention was founded for missions. It is held together because of missions. And its future growth depends upon a commitment to missions.

Basic to that commitment is a strong program of State Missions. The state of State Missions strongly affects the state of Home and Foreign missions. Mission programs in distant areas depend upon the strength of the "sending churches" back home. Overseas and national missions look to the churches for

prayer, concern, missionaries, and money. To be weak on the "home front" is to be even weaker in distant lands.

During the past several years State Missions has emphasized programs to strengthen church and association ministries. Two important emphases are Bible study and leadership training. A strong Christian education program is the backbone of mission support. The Church Program departments--Sunday School, Church Ministries and Training, Church Music, WMU, and Brotherhood--- are wholly committed to these tasks.

A second major program of State Missions are the "direct mission" ministries. These programs lengthen the churches' concern across the state, representing you in areas where your church does not serve. The ministries include Deaf Missions, Resort Missions, Student Missions, Chaplaincy and Language Ministries, Christian Social Ministries, and Inter-racial Ministries.

Cooperation in Baptist missions is also evident in the way the programs are conducted. Resort Missions, for example, is usually a joint project of area churches, Associational Missions, State Mission projects in North Carolina re-financed 64 percent by State Missions.

State Missions is supported by the Cooperative Program and the annual State Missions Offering, September 19. The special offering is similar to the Lottie Moon Christmas Offering (Foreign Missions) and the Annie Armstrong Easter Offering (Home Missions).

The 1976 State Missions Offering goal is $400,000. The offering distribution, approved by the 1975 Baptist State Convention, is as follows.

$175,000	Basic State Mission Budget
43,000	Fruitland Classroom Building
72,000	Caraway Conference Center
10,000	Special Mission Projects
100,000	Baptist Assembly (Caswell)

A look at this goal and we realize that this is indeed a Bold Thrust. But we CAN do it if we put our "shoulder to the wheel and push." The Tuckaseigee Baptist Association has a very definite part in this bold outreach. The goal for the Association has been set at $15,000. In comparison to the total goal this seems a small amount but when we take a look at the amount the Association gave to designated State Missions in 1976 - $1,654-- we can see our task. In the very near future a representative will be sent to each church in the association explaining the program and perhaps making suggestions as to how our goal can be attained. We do have a CHALLENGE!

On the local level some progress was made in Camp and trailer parks ministries this year. Several of the churches took active part in this with some encouraging results. Most of the work on this level is done by the individual churches. Then, too, much of the work that is done is not reported for the Associational minutes. While we do not have figures to substantiate much of our mission work we know that it is going on and that what is done is a vital part of our mission work.

Respectfully submitted,
Luther Osment
Chairman of State Missions

FOREIGN MISSIONS REPORT

"...for, behold, I bring you good tidings of great joy, which shall be to all people." Luke 2:10b

Sixty percent of the ordained ministers in the world are inside the United States, while ninety-five percent of the world's population are outside the United States. One way the Southern Baptist attempt to balance this scale is with a vigorous foreign missions program. More than 2700 Southern Baptist Foreign Missionaries are now under appointment to 84 countries and territories. Their efforts to proclaim "Good News of Great Joy" are reinforced by Baptist leaders on the mission fields and by our prayers and mission support at home.

Missionary appointments during 1976 exceeded all previous records. In the midst of prevailing tensions in disturbed areas they have continued their work.

Almost half of the financial support for Southern Baptist foreign missions comes from the Lottie Moon Christmas offering and the Cooperative Program. Last year the Cooperative Program showed a 12.52 percent increase in giving and the Lottie Moon Christmas offering increased by 11.35 percent.

In the Tuckaseigee Baptist Association plans were begun for an Associational Missions school to be held Oct. 15-22, 1978. This school will bring both Home and Foreign Missionaries to our churches. These missionaries will share how our mission dollars are used to reach souls for Christ around the states and the world.

All of our churches are urged to participate. Call the Association office for how your church can be a part.

Our association sponsored a meeting with Dale Hooper, a furloughing missionary from Kenya, which proved to be informative and inspirational. Mr. Hooper is originally from this area.

Also, this year, our association hosted a Mission Support hearing with Dr. Cecil Ray and others of our state convention in attendance. The meeting was reasonably attended by representatives of Region 10 counties. Better ways of teaching, promoting, and supporting all of our missionary efforts were discussed. It was a very helpful meeting for all who attended.

Respectfully submitted,
Esther M. Cole, Chairman
Foreign Missions

PROPOSED BUDGET FOR 1977-1978

Last year we adopted the largest budget ever proposed for the Tuckaseigee Baptist Association. Since we did not have a full time Director of Missions until June 1, we did not have the opportunity to test this budget to determine whether it would meet our needs. Now that we do have a Director he will be serving under this budget for only four months - June, July, August and September. The Finance Committee is proposing the same budget with a decrease of $400 in the Director's Salary and an increase of $400 in the Housing item. The total remains $19,125. The Baptist State Convention of North Carolina pays $2,712 ($226 monthly) of the total budget.

During the past financial year - 1975-76 - thirty-five

churches gave $12,745.08 including the $1,554 contributed by the State Convention. Seven of the thirty-five churches gave on a regular monthly basis. This year - 1976-77 - thirty-two churches have given a total of $9,639.21 in a nine months period. Thus far twelve churches and the Baptist State Convention have contributed on a regular monthly basis.

While the average giving per month thus far is not as much as that of the previous year some of the churches usually give more during or immediately after the Annual Session. The next four months should show a substantial increase in the amount given for this year. We feel that with a full time Director contributions from all of the churches will increase. We greatly appreciate those churches that give regularly as this helps greatly in keeping our budget operating smoothly. We strongly urge all churches to include a plan for monthly giving in their budgets for the coming year.

Finance Committee,
Jack Hinson, Chairman

STATEMENT OF CONDITION

The fiscal year of the Tuckaseigee Baptist Association begins on October 1 and ends on September 30. This means that the financial statement included in THE BOOK OF REPORTS represents only nine months. As of June 30, 1977 there is a balance of $4,318.75. Of this amount $3,680.84 was brought forward from September 1976.

A total of 32 churches have contributed $7,676.02 to Associational missions with 12 of these churches giving on a regular monthly basis. This represents an increase of five churches giving monthly.

In order to meet our budget needs for 1977-78 we will need a monthly income of approximately $1370 monthly.

CONSTITUTION

(Revisions: August 16, 1957, August 16, 1975, August 18, 1978)

ARTICLE I Name

The name of the body shall be the Tuckaseigee Baptist Association.

ARTICLE II Objectives

The purpose of the Association is to be a fellowship of churches on mission in our setting. The specific objectives of the Association are as follows:
1. To promote harmony, understanding and spiritual power between the churches.
2. To afford and promote a larger fellowship of Christians in the work of Christ.
3. To provide such programs, projects and organizations as will strengthen the churches and assist them in achieving their goals and objectives.
4. To discover needs which cannot be met effectively by churches individually, and to coordinate the use of resources in meeting these needs.

Today over 20,000 Baptist are still being informed of Baptist happenings through its pages. He believes that those people who are best informed are the ones most involved in Baptist life.

13. Tom Clayton brought the report for the Baptist Children's Homes in North Carolina. This is the last year that a special Thanksgiving offering for the homes will be received. A goal of a million dollars has been set for this year's Thanksgiving Offering in order that there will be sufficient funds to carry the Homes over until the Cooperative Program plan takes over.

Giving through Wills was encouraged.

There are only 7 Foster Care Homes available for 17 counties. The Broyhill Home can care for only 60 children. This home does not take any child under six years of age. There is an urgent need for both types of child care.

18. J. D. Grant presented the revised Constitution, copies of which had been distributed at the first session of the Annual meeting. He explained that the revised Constitution represented an improvement rather than a great change. Grant made the motion that the revised Constitution with the suggested changes be accepted. The motion was seconded by Harry Vance. The motion passed and the revised Constitution adopted.

19. The Reverend Cecil Saunders of the Mount Pleasant Baptist Church brought the morning message using as his text, scripture from Acts.

ANNUITY BOARD REPORT

YEAR OF CONTRASTS

The year 1977 was one of contrasts for the Annuity Board.

While the Board grew markedly in new retirement and insurance account, investment earnings, suffered due to poor stock market performance.

The year also represented a period of strong demands which resulted from servicing needs of new accounts.

Key statistics in 1977 included:

1. A permanent 8.33 per cent increase in most annuitants checks.
2. A total of $19,085,316 paid in retirement and protection benefits.
3. The enrollment of 545 new churches in the basic retirement plan.

Plan A members increased from 27,598 in 1976 to 29,142 in 1977. Enrollment in Plan B rose from 25,412 to 33,062, but Plan C's membership dipped from 5,987 to 4,885.

In North Carolina as of March 31, 1978, 3,387 staff members of 2,257 churches and associations are participating in the Southern Baptist Retirement Program.

In the Tuckaseigee Association 18 churches and 22 staff members are participating in the retirement program. The Association is also participating for their Director.

Respectfully submitted,

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

Stop! Look! and Listen! This warning sign at our railroad crossings is a life-saver and should be observed strictly by all who drive, walk, or run. It is good for us to "stop, look and listen", as we get a clearer picture of the various ministries and work of the institutions and agencies of our Baptist State Convention.

North Carolina Baptists have Homes for the Aging at:

1. RESTHAVEN, located in Winston-Salem, with space for 16.
2. THE HAYES HOME and the NURSING CARE UNIT, in Winston-Salem with space for 46 residents, and 79 patients. The Nursing Care Unit serves all five of our Homes.

There is also a duplex apartment complex at the site of the Hayes Home with space for 120 people.

3. THE ALBERMARLE HOME, in Albermarle has space for 30.
4. THE HAMILTON HOME, in Hamilton, has space for 28.
5. THE YANCEYVILLE HOME, in Yanceyville, has space for 31.
6. THE WESTERN NORTH CAROLINA BAPTIST HOME in Asheville, has space for 50 residents. This Home is now under construction.

This means that there will be accomodations for 300 people in all our six Baptist Homes, the apartment complex, and the Nursing Care Unit, when the Western North Carolina Baptist Home, in Asheville is completed.

Our Baptist Homes for the Aging have received vital support from our more than 300 Baptist churches through two vital sources:

1. The Cooperative Program, which supplies about 8 of our total budget.

2. The Special Offering which supplies 16 of our total budget.

These gifts are used to supplement the care of the majority of the residents in our Baptist Homes and are a life-line, therefore, to residents who could not possibly pay the cost of care, if it were not for these gifts.

The February, 1978 offering for the Baptist Homes was the last Special Offering, we are greatly concerned that our churches and our people continue, in an ever increasing manner, their loyal support for the Homes.

Also, of great concern is the fact that we are scheduled to open the Western North Carolina Baptist Home around February 15, 1979, to accomodate 50 additional people, prior to the September, 1979 State Missions Offering and no additional per cent of the Cooperative Program dollar. It is estimated that we will need an additional $100,000. to operate the Western North Carolina Baptist Home. From whence shall this come? We believe that it will come from our Baptist people. If we trust in the Lord for our needs, and pull together, in meeting the 1979 State Missions goal of $2,000,000, that we will give more through the Cooperative Program for all of our Baptist work and causes.

The growing edge of our national and state population is in the area of the aging. Let us join in prayer for those aging persons.

Respectfully submitted

s/ Dot England, Chairman

BAPTIST CHILREN'S HOMES OF NORTH CAROLINA REPORT

The programs, services and facilities of the Baptist Children's Homes of North Carolina are being utilized well for the care of children and in providing assistance to families that need our help. North Carolina Baptists and friends continue to support this ministry through personal involvement, prayer and financial support. It is the purpose of the Homes to provide quality care and to be worthy of the faith and confidence of our many friends and supporters.

Requests are coming to the Homes from various sections of the state for additional community-based services (such as, emergency care and group homes). This is a wholesome trend in child care. Children can best be served and families strengthened when care can best be provided reasonably close to a child's home. Our homes have been moving in that direction for several years. We will respond to additional requests for programs and services as financial resources permit.

North Carolina Baptists have reason to be pleased with work that is currently in progress in Western North Carolina. Broyhill Home, foster home services, emergency care at Forest City, Maternity care in Asheville, programs of crisis intervention, counseling and family education fill a particular need in this area of our State.

We are in constant need of well qualified staff. This is particularly true of cottage parents and foster home parents. Join us in prayer that God will impress upon sufficient numbers of prospective workers that child care is a Christian vocation and that it affords wonderful opportunities for service.

We are deeply grateful for support of the Children's Homes which comes from our churches through the Cooperative Program, special gifts and the traditional Thanksgiving offering.

The forthcoming Thanksgiving offering is extremely important. This will be the last time that our people will have the challenge of making an over-and-above love offering to the Children's Homes at Thanksgiving time. As a part of the Bold Missions thrust, the Thanksgiving offering for the Children's Homes in 1979 will become a part of the North Carolina Baptist State Missions offering to be received each September thereafter.

To bridge the transitional gap next year, our trustees have set a goal of $1,000,000 (one million dollars) through the 1978 Thanksgiving offering. We are dependent upon our friends for financial support sufficient to carry on this ministry.

Respectfully submitted,

s/ Tom Clayton, Children's Home Representative

P.S.: Many of the churches in the Tuckaseigee Baptist Association give special gifts of money to the Children's Homes through special gifts sent directly to the home.

BAPTIST HOSPITAL REPORT

Baptist Hospital continues to find ways of enlarging and of improving its care for patients.

During the past year, the Department of Family Medicine moved into new quarters. It is anticipated that with the larger area, the Family Practice Center will provide primary health care for more than 5,000 families by 1980. Also, the teaching program for resident Physicians in Family Medicine will increase to 8 positions by 1980. Many of these physicians are expected to enter family practice in North Carolina.

Other improvements in patient care include the installation of a whole-body scanner and the opening of new and larger facilities for the Intensive Care and Intermediate Nurseries. The body scanner is particularly useful in locating and defining problems such as tumors in the chest, abdomen and pelvic areas; in determining the spread of disease from one organ to another; and visualizing anurysms in the abdomen. The new nurseries have already played a significant role in reducing the infant death rate and in improving the chances of premature babies growing up without lasting effects from earlier medical problems.

Creation of a new Department of Patient Relation and the employment of a full-time director has also helped to improve the quality of patient care. The primary function of this department is to respond to specific concerns patients have regarding their hospital care and act in behalf of patients and their families in resolving problems and meeting needs.

A closed-circuit television system will soon be carrying services from the hospital chapel, other devotional programs and educational programs. The equipment was purchased with funds from the estate of Miss Olivia Hall who worked for Baptist Hospital for nearly a half century.

The Department of Pastoral Care continues to make a significant contribution to patient care as well as in clinical pastoral education, counseling and enrichment events. During recent months the department has begun another

satellite center; this fourth satellite is in Charlotte and is operated in cooperation with the Mecklenburg Baptist Association. In April of this year, the Counseling Center received accreditation by the American Association of Pastoral Counselors.

In recent months, the Medical Center Challenge Program completed a successful fund campaign, over-subscribing its $18 million goal. The final project in this program will be the replacement of the original hospital building, opened in 1923, with a new Focus Building which is scheduled for completion in 1980.

It warms our hearts and fills us with a stronger feeling of security to learn that our Baptist Hospital is so concerned with care for people. This care as you can see is not limited to the physical area but includes the spiritual, social and emotional which are so basic to the physical well being. We are indeed grateful for the men and women who are so dedicated and so spirit filled over the needs of people that they are continually seeking and searching for ways to improve services.

Many of our Tuckaseigee Association people have sought care in our Baptist Hospital during the past year. All praise the services and care they received. The following list indicates how our Association helped this year:

THE BIBLICAL RECORDER REPORT

Does the RECORDER pay? A few weeks ago the leading 50 churches in the state in Cooperative Program giving were listed in the BIBLICAL RECORDER. Everyone of them has a RECORDER club, many of them with the RECORDER in the budget.

Then there was a list of the churches with the best per capita giving to the Cooperative Program. Again, 49 out of 50 of these churches have a good RECORDER club. In fact, the 50th church had a club up until recently and you can be sure the folks at the RECORDER will be working hard to see that the church has another club soon.

All of this is strong testimony as to what the RECORDER can do for a church. When people are informed, they give. When people are informed, they support their association and state convention work. Everyone wins when the RECORDER goes into every home.

As of this date, the price of the RECORDER is remaining reasonable, especially when compared to the cost of a daily paper. A church can still send the RECORDER into every home for only 6 cents a week. This is amazing in view of the continued rise in the cost of postage and paper, both of which went up sharply this year. If your church has plans to put the RECORDER in the budget, it should do so this year and thus save considerable money.

With the dripping wet news media in North Carolina, our Baptist people must depend on the RECORDER for information about such matters as liquor by the drink. Even though it passed the legislature back in June, local option elections must be held before any city or county can vote in this third dimension in drinking.

Woodrow W. Hill, assistant editor and field representative for the past seven years, reached retirement age this past year but has agreed to continue to help the RECORDER in associations and churches. He is loved by people all over the state and we are glad that he will continue to be identified with the RECORDER when needed for special assignments.

CHURCH TRAINING REPORT

"M" Night was the high light of the Church Training program this year. It was held at the Old Savannah Baptist Church with the Reverend Jarvis Brock from Hazelwood Baptist Church as speaker. Attendance was good. The Ochre Hill Baptist Church was high attendance with the Cashiers Church running a close second.

It is hoped that more churches will organize Church Training programs in some form next year. Most churches do have training but because it is not within the structure of the Training Union organization they do not report this as church training. The SBC will be helping churches to know how to report their church training programs to better advantage in the near future.

CREDENTIALS COMMITTEE REPORT

The Credentials committee had three requests to examine or counsel with h candidates for ordination. The Tuckaseigee Baptist Church requested that the Committee examine Brother Gene Chatfield for the gospel ministry. The Committee had a very good interview with him, finding him to give evidence of a call to the ministry and possessing the gifts of teaching and preaching. His doctrinal position was found to be most sound and his support of the denomination excellent. The Committee recommended his ordination which took place in September, 1977. The Committee met for counselling only with two other candidates for the gospel ministry. In each of these instances, according to the constitution of the Association, the Committee did not make recommendation for the ordination.

DIRECTOR OF MISSIONS' REPORT

I have completed one full year as Director of Missions for the Association. Please permit me to express my appreciation to the churches of the Association for the interest and support which have been afforded me. I want to compliment the officers and committees of the Association for a work well done during this first year of our working together. This has been a time of learning and adjustment for both the Association and for me. Thank you for your patience and understanding.

By the time of the annual meeting of the Association, I will have made a visit to every church in the Association. During the year, through the month of June, I had fifty-five speaking engagements in the churches of the Association,

plus speaking at Association functions, and in addition, three speaking engagements outside the Association. I was in five meetings involving Directors of Missions in the state. The various denominational meetings and conferences which I attended include: Evangelism Conference, Mountain Mission Pastors' Workshop, VBS Clinic, Key Leader Training, Sunday School Board Up-date, Nashville, Southern Baptist Convention and Sunday School Task Force for Bold Missions. I serve on the Truett Camp Committee representing the Association along with the other elected committee persons from our Association. An ex-officio member of all Association committees, I have been present for every committee meeting.

This has been a very busy year in our Association. I commend all who took such an active interest. I do want to encourage churches and pastors to continue such support. Some of us ought to be more involved in meeting attendance. Some of us need to share in the financial support of Association missions to a larger extent. Others need to begin for the first time to give both attendance to meetings and financial support to the Association. The Association is the churches on mission in their setting. The key to success is not what can the Association do for us, but rather, what are we doing to develop the fellowship and mutual support of the forty-eight churches of the Tuckaseigee Baptist Association.

Respectfully submitted,

s/ Alvin A. Loiry, Jr.
Director of Missions

DEACONS - PASTORS

The Deacons - Pastors organization is perhaps the largest and best attended in the Association. It meets quarterly. This past year meetings were held with the following hostess churches: Old Savannah, Shoal Creek, Scotts Creek and Hamburg. The Shoal Creek meeting was cancelled because of inclement weather. Conrad Burrell, the program chairman, has planned and arranged for some outstanding programs. The program at Old Savannah brought to us a message on Liquor-by-the-Drink. At Scotts Creek the choir there gave a beautiful music program, this time by the Layman's Quartet. Officers for the coming year will be elected at this, the last meeting of the year.

The wives of the Deacons and of the Pastors are always invited to attend these meetings. The host church serves the evening meal.

EVANGELISM REPORT

A significant goal in Bold Missions is to encourage every church to double baptisms by 1982 or sooner. Christians need to lead unsaved persons to make genuine commitments to Christ and to guide them in their spiritual develop-

ment. Pastors and church leaders can use the notebook - BOLD EVANGELISM THROUGH THE LOCAL CHURCH to plan and develop an ongoing program of evangelism.

"The Evangelistic Church on Bold Mission" was the theme of the 32nd Statewide Evangelism Conference at the War Memorial Auditorium, Greensboro, during February 6-7, 1978. Evangelistic speakers challenged about 2,400 pastors and lay persons to involve church members in bold evangelism.

Over 900 youth and adults attended the largest Youth Ministry Week during July 3-8 at the North Carolina Baptist Assembly. All persons participated in specific witness training sessions.

About 12,500 youth, pastors, and adult leaders were expected for the 8th Statewide Youth Evangelism Night - August 18 - at Greensboro Coliseum.

Churches are encouraged to become more involved in Renewal Evangelism.

Youth Evangelism Strategy can help Associations and churches train their youth in witnessing to the unsaved and in personal discipleship. Also, "YES" equips adults to work with youth in evangelism.

The 33rd Statewide Evangelism Conference will be held at Cumberland County Memorial Auditorium, Fayetteville, on February 5-6, 1979.

A few churches in our association take their youth to the Statewide Youth Evangelism Night each year. Other churches are encouraged to pick up on this.

Many THANKS go to our pastors and our churches for the fine cooperation in the Association Wide Revival with Brother Bill Chapman and Brother Pat Roper.

REPORT OF THE HOSPITAL CHAPLAIN
C. J. HARRIS COMMUNITY HOSPITAL

The voluntary cooperation of thirty-two churches, one institution and six persons made possible the ministry of your hospital chaplain during the year July 1, 1977 - June 30, 1978. The Jackson County Minister's Association supervises the Chaplaincy Program through the following Committee: Jack Hinson, Chairman, Mrs. John Parris, Dan Ward, Bob Reese, James Kelly, and Don Morgan. The Chaplaincy Committee meets monthly with the Chaplain present.

Two items of the Chaplaincy Program deserve special mention:
(1) Devotional services twice a week in the Prayer Room for the Hospital staff, employees, visitors and patients. All are not free to come at any given time. The attendance has been very gratifying.
(2) The establishment of a "Chaplaincy Foundation for the purpose of receiving donations or contributions from any person, firm, corporation or association, the monies so contributed to remain in said foundation and the interest and/or dividends earned on the monies contributed to said foundation to be used by said ministerial association for the purpose of operating and maintaining the Chaplaincy Program" at the C. J. Harris Community Hospital of Sylva.

4311 patients passed through the hospital from July 1977 to June 30, 1978. This is an average of 359 patients a month. Do we wonder that Jesus said, "In as much as you have done it unto one of the least of these (the sick) my brethren, you have done it unto me"? What a challenge! What a stewardship to give an account for!

In the light of a Christ commanded ministry, do we need to be urged to give through our church budgets each month, by special offerings or a gift to the C. J. Harris Community Hospital of Sylva, North Carolina, Incorporated, Chaplaincy Foundation?

Address all gifts and communications concerning the hospital chaplaincy to: Hospital Chaplaincy Program, 59 Hospital Road, Sylva, North Carolina 28779.

FOREIGN MISSION REPORT

"But when the Holy Spirit has come upon you, you will receive power to testify about me with great effect, to the people in Jerusalem, throughout Judea, in Samaria, and the ends of the earth, about my death and resurrection." (Acts 1:8 TLB)

This year, and for the next several years, our emphasis in Missions, both Foreign and Home, will be Bold Missions. The main thrust will be more missionaries, more churches, and for everyone in the world to have heard the gospel by 1982.

This is a tremendous task. Jesus knew he left a tremendous task for His people, but He also knew there would be people He could count on to carry out this task. Will you be one He can count on? Individually we cannot do much, but collectively we can accomplish a great deal.

During the latter part of June a Key Leadership Conference was held in the Tuckaseigee Baptist Association. If you have not heard of Bold Missions be assured you will be hearing more and more about it in the coming months.

A number of the churches in the Tuckaseigee Baptist Association had study courses for the Foreign Missions Week of Prayer in 1977. Hopefully every W M U will plan one for 1978.

Along with Bold Missions goes Bold Giving. We must respond with our money as well as with our prayers and our witness. This past month the W M U has been stressing "Response to a Hungry World". When we think of the millions of people in foreign countries who are hungry, our responsibility is great. We are in great need of Agricultural Missionaries. An old Chinese proverb says: "If you give a man a fish, you feed him for a day. But if you teach him how to fish, you feed him for a life time." John records, "But if a man has enough to live on, and yet when he sees his brother in need shuts up his heart against him, how can it be said that the divine love dwells in him." (1 John 3:17)

World Hunger Day will be observed throughout the Southern Baptist Convention on August 2, 1978. We can begin now to learn all we can about world hunger. We must examine our life styles, we must pray, we must lead our families and our churches to make specific commitments of money. This is part of our Foreign Mission responsibility for we must first minister to the body before we can minister to the soul.

REPORT ON HOME MISSIONS

"Let us therefore come boldly unto the throne of grace that we may attain mercy and find grace to help in time of need." Heb. 4:16. We are not alone, neither are we the first to step out boldly. There are hosts of God's children who have gone on; that boldly served our Lord with gladness. God is using and blessing the spiritual insight and willingness to serve in our present generation. It may be that some lack courage but they should remember the promise given in the scriptures as found in Matthew 28:20 and step out boldly and unafraid. God promises are true and when he said "And lo I am with you always even to the end of the world"-He meant just that.

There are two evidences of boldness in 1977 achievements among North Carolina Baptist. First, was the generous response to the $1,000,000 State Missions Offering. Praise can be given to the 1,000 church leaders who acted as interpreters to the larger goals. As a result of this bold movement some church goals are as much as ten times greater this year. The goals were met in most of the churches in the reports of the two special Commissions - the Church Growth Commission and the Mission Support Commission.

Another response for praise to Baptists everywhere is the eight percent increase in our Annie Armstrong Easter Offering. This increase reflects our Associational as well as our State giving.

We here in the Tuckaseigee Association can be confident that we will obtain mercy and grace in our concern for missions. The need is ever growing, therefore the challenge is continuous.

The opportunities are before us, so with much boldness, let us listen to and heed the command, "As my Father has sent me, even so send I you." John 20:21.

s/ Virginia Pangle

MISSIONS COMMITTEE REPORT

The Missions Committee under the chairmanship of the Reverend Douglas McFadin met on a regular quarterly basis in an effort to plan and promote Associational activities. The meetings were generally well attended.

In December 1977 a recommendation to postpone the School of Missions was presented to the Executive Committee. Plans for the School of Missions were cancelled for the present.

An appeal for office equipment for the Association office resulted in an electric typewriter being donated by the young people's Sunday School class of the Hyatts Chapel Baptist Church. Six new folding chairs were purchased.

High Attendance Sunday for Sunday Schools was set for October 30, 1977.

The Committee recommended participation in the Associational Leadership Conference at Ridgecrest with a follow through conference in the Association on June 5, 1978. Most of the leaders of the Association departments attended the Ridgecrest conference and then conducted these conferences in the Association on June 5th. The Association conference was held in the Sylva First Church. Two of the leaders assisted the Macon Association with their conference.

Plans and a recommendation for the organization of an Associational Council with a reduction in the membership of the Missions Committee was presented to the Executive Committee. Such a plan will necessitate a change in the Constitution. This change will be voted on in the annual meeting in August 1978. If such a change is made the Missions Committee will be charged with the responsibility of looking after missions in the association while the Council would assume the business matters that were formerly part of the responsibility of the Missions Committee.

The Missions Committee recommended the acceptance of the transfer of the Annuity Board SBC insurance for the Director of Missions from the Home Mission Board to the Tuckaseigee Baptist Association. This was an additional cost of $50.00 per month for the Association.

The County Wide Evangelistic Crusade was supported through the Missions Committee. The Reverend C. H. Green was the Chairman of the Evangelistic Committee.

Reverend McFadin moved from the Association in July 1978.

Respectfully submitted,

s/ Annie Hoyle, Secretary
Missions Committee

STATE MISSIONS REPORT

The Baptist State Convention of North Carolina is composed of 3,452 autonomous Baptist churches coming together to promote missions, evangelism, church growth, education and social services. The Convention was founded for missions. It is held together because of missions. Its future depends on a continuing commitment to missions.

A major program of the State Convention is direct missions ministries. These programs lengthen the churches' ministry across the state, representing you in areas where your church cannot serve. Missions ministries include Deaf Ministries, Resort Missions, Student Missions, Chaplaincy and Language Missions, Christian Social Ministries, Inter-racial Ministries and others. In all there are some fifty types of mission ministries carried on through the State Convention.

State Missions is supported by the Cooperative Program and the annual State Missions Offering, September 17. This special offering is similar to the Lottie Moon Christmas Offering for Foreign Missions.

The 1977 State Mission offering was Phase 1. It literally "opened the door" to Bold Missions by raising almost one million dollars. Although this was short of our goal, it was a 25 increase over the 1976 offering. We raised enough money to pay several debts as well as support ongoing ministries, saving an estimated $218,000 in interest alone.

The 1978 State Missions Offering is Phase 11 in our debt retirement program. Last year we began the job. This year we must finish it. Of the $1,200,000 goal, $930,500 is to complete our debt retirement.

This is indeed a Bold step, but we can do it. Tuckaseigee Baptist Association will have a vital part in reaching this goal. In the very near future a representative will be visiting each church in the association to explain the program and to offer assistance in helping to inform the people. Let us join our fellow North Carolina Baptists in "Entering the Door for Bold Service." Joshua 24:15,...we will serve the Lord."

SUNDAY SCHOOL REPORT

Several Sunday School teachers, directors and leaders of the Tuckaseigee Baptist Association attended the Regional Sunday School Conference held at the Sylva Baptist Church. Some also attended the conference held at Ridgecrest. Both conferences were reported to be very helpful. The Cullowhee Baptist Church held a Sunday School Literature Fair that was well attended and also provided an opportunity for workers and students to examine a variety of available Sunday School materials.

Interest in Sunday School work seemed to have a slight up-trend. The Church Letters will reveal the increase level. The Sunday School is a teaching ministry. It is hoped that somehow we may have a revival of interest in this important work.

The four priorities receiving major attention during the Sunday School year of 1977-78 were:
(1) ACTION enrollment campaigns.
(2) The Bible Book Series for youth and adults.
(3) The "Equipping Center".
(4) Family Life conferences.

Douglas McFadin, Associational Director for the Sunday School Department, moved from the Association during the closing months of the associational year.

VACATION BIBLE SCHOOL REPORT

The following persons served on the VBS faculty for the Association this past year: Max Smith, Director; Alvin A. Loiry, Jr., Adult; John Reid, Youth; Christine Loiry, Older Children; Mary Bennett, Middle Children; Annie Hoyle, Younger Children; Louella Brown, Older Pre-school; Joyce Alexander, Middle Pre-school; and Douglas McFadin, Mission VBS and Backyard Bible Club.

We had almost 100 of the faculty present at the State VBS Clinic at Ridgecrest on March 9 & 10. Although the weather was cold and foggy, the clinic was warm and inspiring.

The Association held a VBS Mini-Clinic at the Lovedale Baptist Church on April 17th. There were 27 persons attending this clinic which was mainly for directors, associate directors, and pastors. The main clinic for VBS was held at the Lovedale Baptist Church on May 8th with 83 persons present. The

following churches were represented with the number enrolled from each: Balsam 6; Buff Creek 11; Cullowhee 5; East Fork 3; Hamburg 12; Jarrett Memorial 2; Little Savannah 6; Lovedale 6; Mt. Pleasant 1; New Hope 1; Ochre Hill 3; Old Savannah 4; Scotts Creek 3; Shoal Creek 3; Speedwell 6; Webster 3; Zion Hill 5; Rockdale 3. There were 18 churches represented and this enrollment included 8 pastors. At the writing of this report many churches in our Association had had VBS and some were in session.

A summary report for VBS in North Carolina for 1977 indicates that there were 2,911 church schools, 122 mission schools (almost 60 increase over 1976), and 140 Backyard Bible Clubs. There was a total enrollment of 277,973. There were 2,902 professions of faith. There was a total offering for missions of $97,061. From these schools there were 37,472 prospects discovered for our churches.

VBS is a great means of reaching boys and girls with the gospel of Jesus Christ and of conserving and enriching their lives for His service.

W. M. U. REPORT

The W M U of the Tuckaseigee Association completed its slate of officers at the Leadership Conference held at the Cullowhee Baptist Church in September. Annie Hoyle was re-elected. The other officers had been elected at the annual meeting held in May.

The Leadership Conference was well attended. The Directors of the age level groups led the discussions and presented the materials to the groups.

Most of the W M U organizations observed Focus week with some special activity. The weather prevented an Associational wide function.

In mission giving for Foreign (Lottie Moon), Home (Annie Armstrong) and State, goals set were over subscribed. The weeks of prayer were observed in a number of various ways. Most organizations observed these special weeks of prayer. Study materials and books were widely used.

The Annual Business session was held in May with the Scotts Creek Church serving as hostess. Officers were elected and installed. The Director of Missions, Alvin A. Loiry, Jr., brought a message on the theme used: Bold Missions in the Tuckaseigee Association.

The Shoal Creek WMU was re-activated bringing the number of organizations back up to twenty-three. We praise the Lord for the renewed interest shown by these women.

The WMU participated in the County Wide Evangelistic Crusade by serving as telephone contact persons.

Several of the WMU organizations started age level groups in their churches. We are truly thankful for the workers and their good work in doing this.

The Girls in Action, under the direction of Virginia Pangle are planning a Day Camp for September. Virginia has been a faithful worker with the G A

organizations for several years. We appreciate the good work she has done. We welcome Jean Keener who will be taking Virginia's place as G A Director.

The Acteen work, under the leadership of Sharon Procter, carried on a number of activities. Debbie Monteith will take over as Acteen Director. Sharon has done a good job and we appreciate the work she has done.

Alma Pullium has encouraged organization of B Y W groups. This seems to be a difficult age to organize at this time. We shall continue to pray for renewed interest here. We need these young women in missions.

Mildred Cowan will continue to work with the B W. Mildred is very much interested in W M U work and has attended several meetings on the state level.

Only two of our Directors were able to attend the Associational Workshop at Ridgecrest last August. This year, we hope to make it 100 per cent attendance.

The Ochre Hill Baptist Church provided a bus for transportation to the W M U meeting in Atlanta, Georgia in June. A number of people attended this Southern Baptist meeting.

As we look to the future with its emphasis upon missions, we realize that W M U has the biggest challenge ever. In an effort to do our best we must develop a strong team spirit. We must lead out in a commitment to pray for W M U and for growth in all age levels. We need to build membership and to increase the number of W M U organizations. Let us pray that God will give us the courage, the strength and the wisdom to fulfill our responsibilities and to reach out.

Thank you for permitting me to serve as your Director. I appreciate you and your cooperation.

THE PROPOSED BUDGET
1978-1979

The Apostle Paul in writing to the Corinthians in 1 Corinthians 9 emphasized the importance of God's people supporting the ministry. From the terms and examples he used, it appears that that support is not to be skimpy but rather lavish.

He said, "Who goeth a warfare anytime at his own charges? Who planteth a vineyard, and eateth not of the fruit thereof? Or who feedeth a flock, and eateth not of the milk of the flock?" Again he reminded his readers that Moses commanded that the oxen that threshed the wheat not be muzzled. Jesus said, "The laborer is worthy of his hire."

Your finance committee feels that the Tuckaseigee Baptist Association would rather be noted as a group of churches that is willing to do their best toward those whom they employ rather than to be noted as an Association of Baptist Churches that pay as little as they can get by with.

With these things in mind, we propose the 1978-1979 Associational Budget. This budget reflects some changes. There is a little less than a six percent raise proposed for the Director of Missions. This is shown in the housing allowance to give him the best possible tax break.

The Deacons, Baptist Men and W M U have been taken from the budget because they have their own treasurers. The Bible Conference budget has been

removed because that area has been largely a failure for the last couple of years. We have added a music department item in hopes of encouraging the development of music in the Association.

Actually we have a reduced budget from the 1977-1978 one. This is not a signal for our churches to slow up giving to our work; for we need to look forward to the day when we can have our own house and offices. We need to look forward to the day when we can offer assistance in training church leadership. After all Jesus said to begin our mission effort at Jerusalem, the home base of Christian Missions.

Respectfully submitted,

Robert Blanton, Chairman
Morrison Green
Jean Keener
Mike Moore

BEN C. COOK
1886-1979

"Let your light so shine before men, that they may see your good works, and glorify your Father which is in Heaven". Matthew 5:16

This scripture verse depicts well the life of the Reverend Ben Cook for he did let his life shine among the people of Jackson County for eighty of his eighty-three years.

Ben Cook, the son of a Baptist Minister, was often referred to as a "horseback circuit preacher" and a "Builder and Founder of Churches." An able evangelist he had great concern and compassion for people. As a result of his preaching and teaching he built or caused to be built not only the physical structure, but also the spiritual foundations for the body of believers who attended.

Ben Cook was not only a preacher but he was a family man, a neighbor and a man of God. He spent his life spreading the "Good News" to his fellow countrymen in the Tuckaseigee Baptist Association. While he is now gone to his eternal rest, his memory, faithfulness and good works will continue to live in the lives of the people in this part of the country.

It is to this great man of God that these minutes of the Tuckaseigee Baptist Association is lovingly dedicated. Ben Cook walked tall among the members of this Association.

PROCEEDINGS

Thursday, August 16, 1979
Balsam Grove Baptist Church

The one hundred fiftieth annual session of the Tuckaseigee Baptist Association convened with the Balsam Grove Baptist Church as host, at 6:30 pm on Thursday, August 16, 1979. The host church served a delicious meal to 15 pastors, 72 messengers and 24 visitors, representing 27 churches of the Association. The moderator, the Reverend J. C. Robinson, called the meeting to order and presided throughout the two day meeting. Mrs. Mary Bennett led the Congregational singing using as the opening hymn "Send The Light". Mrs. Sherri Smith served as organist.

The following business was transacted:

1. The Reverend Abe Brooks, pastor of the Balsam Grove Church, gave the devotional emphasizing the Great Commission and our part in its fulfillment.
2. A motion was made and passed that the BOOK OF REPORTS be adopted.
3. The moderator gave a report on the work of the Executive Committee. A copy of the report is recorded in these minutes. The Reverend Robinson urged all pastors and lay representatives to attend the Executive meetings held each quarter.
4. The moderator recognized the following pastors new to the Association and present at the meeting: Abe Brooks, Ben Cabe, Max Lindsey, John Reid, and David Blanton. Pastors making changes in churches within the Association were asked to stand.
5. The Director of the Balsam Grove Baptist church, Clifford Parken, led the church choir in some musical numbers. Mrs. McMahan, sister of the Reverend Cook sang with the choir.
6. The Reverend Kenneth Varner, a missionary serving in Tiwan but at present on furlough, spoke briefly on the work in that country and left the congregation with the challenge: "Do you believe in Foreign Missions?" "Then listen to God and heed his teachings and do His work."
7. J. T. Flake gave a special welcome to Mr. & Mrs. Charles Ginn who have returned to the Association to live and make their home.
8. The Reverend Luther Osment explained the new approach to the State Mission offering which is being implemented for the first time this year. North Carolina's part of two million dollars does not exceed greatly the former goals set for the six mission offerings formerly supported by this same offering.

The state mission report is included in these minutes.

9. The Reverend Harry Vance, Association Treasurer, gave the financial report in the absence of the Financial chairman. This report was accepted and Vance highly commended for his fine reports

and the manner in which he kept the finance records.

10. Wesley Hooper presented the Committee on Committees Report.

11. The Nominating Committee report presented by Robert Blanton, chairman, was accepted and approved.

12. The Reverend Jack Hinson of the Constitution Committee presented the report on the Constitutional changes being proposed. The proposed changes will be voted on during the second session business meeting.

13. The Reverend John Reid, Chairman of the Continuing Education Committee, told of plans projected for Seminary Extension work. Both certificate credit and Seminary credit at Fruitland may be earned by taking these courses. The classes will begin on September 9, 1979. THE LIFE OF CHRIST will be taught by Reverend Conley at the Hamburg church and again at Rockdale Church. These courses are open to both pastors and laymen. The cost is $7.50. Scholarships are available. Reid presented certificates to those persons completing the course or courses offered last year. Those receiving certificates were: David Blanton, Tommy Moore, Ray Houston, L. Phillips, Richard & Laverne Moore, Dillard Moore, J. E. Carnes, Robert Blanton, T. Ensley and K. Miller.

14. The Reverend Jack Hinson reviewed the work being done in the C. J. Harris Hospital by Chaplain Frank Anderson. He commended Anderson highly for his work. He reported that four additional churches had been added to the list of those giving to the Chaplaincy fund this year. An increase in the amount of gifts this year over last amounted to $432.33. He urged continued support of the ministry and reported a trust fund being set up to help promote this work and provide a more secure financial basis for operation of this ministry. The Foundation is being set up under the chairmanship of Dr. James Dooley and the Reverend Terry L. Hammill.

15. The Director of Missions, Alvin A. Loiry, presented two items of business. First, he felt that as an association we should participate in the Churchmanship Conference set for Camp Caraway in March 1980. The purpose of this conference is to provide training in associational leadership. The registration fee is $20 with an $80 cost for lodging and meals. He suggested that the association send someone and pay expenses. Second, the new Church Training program has come out with some new material in the form of an Equipping Center which consists of eight separate areas. The cost of this material is $87.32.

A motion made by John Reid, seconded by Billy Rogers that the Church Training Equipping Center material be purchased and kept in the Associational Office for loan to the several churches was passed.

A motion made by Hinson, seconded by Hyatt, that two people be sent to the Churchmanship Leadership Conference at Camp Caraway with all expenses paid and that one of these be the Moderator of the Association and the other the Director of Missions was passed.

16. The Reverend Billy Rogers, pastor of the Yellow Mountain Baptist Church, brought the message using the title "The Church is God's Special People" and scripture from Acts 4:1. He likened the spiritual growth of the church to the present oil crisis and concluded that we all need to be annointed with fresh oil from God and become a living organism carrying on God's work.

17. The message concluded the first session of the Associational meeting.

18. The second session of the annual Association meeting was called in session by Moderator Robinson at 9:30 AM. There were 24 churches represented with 15 pastors, 36 messengers and 17 visitors making a total of 92 persons.

19. The Reverend Ambrose and Mrs. Ambrose, Education Directors of the Sylva First Church opened the session with special music.

20. The Reverend Everett Wilson, pastor of Pine Creek Baptist Church read scripture from 2 Timothy 2 and led in prayer.

21. Max Smith, Director of the Sunday School, gave a report on the accomplishments of that department for the year. The detailed report is recorded in the minutes. He suggested that the church place more emphasis on Bible Study the coming year.

22. Annie Hoyle, WMU Director referred to the report contained in the minutes and shared some of the trends in the work.

23. J. E. Carnes presented the enclosed report for the Deacons and Pastors organization.

24. Ray McCall called attention to the Ordination Committee's report.

25. In the absence of Mildred Cowan, Alvin Loiry gave the report on Truett Camp. Attendance at the camp has been good this year. Forty-nine preachers attended the preacher conference, 28 youth attend the music camp, 178 girls and 117 boys attended during their special weeks. In all 978 persons attended the camp this summer. The most urgent present need is for a building in which camp leaders can be housed. He urged churches to include Camp Truett in their budgets.

26. Coy Privitte distributed materials and urged churches to encourage members to subscribe to THE BIBLICAL RECORDER in order to keep abreast of what is happening in the Baptist World in North Carolina. He urged the support of the Christian Action League through prayer and contributions. Several incidents of misrepresentation and misinterpretation of some of our current laws were presented. Baptist should be informed and know how their representatives vote.

27. John Bunn presented the "A B C's" of Christian Higher Education. The representatives present were Abrams for Gardner-Webb, Blackwell for Mars Hill and Clegg for Campbell.

28. Loiry speaking for Bold Missions presented a partial list of ways in which our state missions assisted in mission work in our Association. The list was distributed to all present. He reported that Miss Balleu, a U.S. 2er, would be working with the youth in our Association for the next two years.

The Association has been invited to assist with a mission project in West Virginia this year.

The Home Mission Board is requesting each Association to accept and assume the responsibility for at least one Indo-Chinese family in the area. Support of such a family would not be a budget item but gifts from the several churches would be necessary. This item will be brought to the attention of the Executive Committee at its October meeting.

29. Hugh Starnes brought a report on the Baptist Children's Homes. He related some of the unique contributions made by churches in this association to the Broyhill Home. Such items as wood, home canned commodities, the opportunities to speak in the several churches and the four children from this association in the Broyhill Home.

The emergency care center for the Children's Homes is located in Forest City with 8 beds for children and the Hawthorne Heights facility in the Tuckaseigee Association, which may become affiliated with the Baptist Children's Homes in the near future. There are 30 children in Foster Homes at present. There is a critical need for more Christian people to keep children in their homes.

30. A motion made by Smith and seconded by Vance to adopt the changes suggested by the Constitution Committee be approved, passed.

31. In the absence of the chairman of the Finance Committee, Harry Vance presented the proposed budget with the following changes made

to the Proposed Budget as presented in THE BOOK OF REPORTS: That the item under section 5 Projects for Progress "Training for Association Leaders" be changed to read $500 not $250. Included as the last item in this same category should be "Associational Missions" $200.00. The item listed as "Housing for Director" should be removed from "Properties" and placed under section 2 "Personal Benefits". These changes will increase the total budget for 1979-80 to $21,058.

32. Harry Vance moved that monies left from the cost of the publication of the minutes be used to publish a history of the Association. The motion passed.

33. Loiry recommended that the clerk be given an honorarium as a token of appreciation for the work done.

34. John Reid presented the following Resolution to be added to the list of Resolutions as stated by the Resolutions Committee:

We express our concern and our disagreement to the legislators representing Jackson County in the North Carolina House of Representatives and the North Carolina senate for their recent support to the legislature bill H B 936 which would have decriminalized possession of marijuana up to 4 ounces.

35. Robert Blanton, Interim Pastor of the Ochre Hill Baptist Church, brought the message selecting the scripture from Hebrews 12:13 and Tim. 2:2. The message was entitled "Follow Peace for all Men."

36. Annie Hoyle, Chairman of the Memorial Committee, presented a memorial service for the deceased members of all churches reporting.

37. Harry Vance brought the Benediction and gave the Blessing for the delicious meal following the close of the 150 annual session of The Tuckaseigee Baptist Association.

There was no afternoon session of the 150 annual session.

BAPTIST CHILDREN'S HOMES

The purpose of the Baptist Children's Homes is the care of dependent, neglected and homeless children; unwed mothers and their children; and the rendering of related services to their relatives.

In 1978 the lives of more than 4,175 people were affected in a significant way by the services of the Children's Homes.

The Homes provided care and related services for 1,440 children. Of this number 1,140 received continuing service while 340 received casework, counseling and referral services. Applications for 79 children were in process of evaluation at the end of the year.

Through members of the staff, a close working relationship was maintained with 2,222 adults while working with the children. Consultant services were provided more than 400 other adults through Child Development and Family Education services.

In Piedmont North Carolina the programs, services and facilities of the Homes are being utilized well for the care of children and in providing assistance to families.

Mills Home, foster homes, emergency care at Burlington and Charlotte, the Family Resource Center in Charlotte, the High Adventure program at Wall Home, the Child Development Center on the Mills Home Campus, programs of crisis intervention, counseling and family education fill a particular need in this area of the State.

As in other areas of the state, requests are coming for additional community-based services.

Approval has been given by the Planning-Zoning Commission and the City Council of Chapel Hill for the development of the Gree-Burris Home near Chapel Hill.

In Eastern North Carolina the Indian Memorial Cottage at Odum Home has been completed and dedicated. Odum Home has been made an area center of operations for eight counties in the southeastern part

of North Carolina.

The Kennedy Home campus near Kinston continues to be the largest scene of child care activities in the eastern area. The regular cottage programs are maintained along with several specialized services which have been made available to children needing special help.

At Kennedy Home work is now proceeding on the preservation and restoration of Cedar Dell, the residence of the Kennedy family which donated this property to North Carolina Baptists for a child care ministry in eastern North Carolina.

People in Western North Carolina, with the establishment of Broyhill Home, as a center of operation, now have all the services which are provided elsewhere in the state.

During the past several months, members of the Children's Homes' administrative staff have been in dialogue with members of the Board of Directors of Hawthorne Heights group home near Sylva who have requested the assistance of the Children's Homes in providing emergency service for children in a seven county area in the far western part of the state.

The Baptist State Convention of North Carolina, in its 1977 Annual Meeting, voted to request the Children's Homes to develop a three year pilot program to serve mentally retarded adults. A committee from the Board of Trustees has engaged in a constructive study of services needed for this population in North Carolina. It is anticipated that a home will be provided for a small number of mildly retarded adults during 1979.

Modern day child care, as provided by the Baptist Children's Homes of North Carolina is a Christian Ministry and as we continue to expand and meet this growing need there is always a need for additional capital.

Changes within the Baptist State Convention's financial support structure for her institutions and agencies increase the necessity for intensive cultivation of individuals, families, industry, business, foundations and endowments. Free counsel, printed materials and assistance are offered as suggestions for estate planning that involves charitable bequests to the Homes by the Development Department.

This report is respectfully submitted for and in loving memory of my husband, Tom Clayton, who was always deeply grateful to the Baptist of North Carolina for providing him a home. He served as a member of The Board of Trustees of the Baptist Children's Homes from 1965-1978. He served as Children's Homes Representatives of the Tuckaseigee Association for many years.

Respectfully submitted,
S/ Joyce Clayton

CONTINUING EDUCATION

The Continuing Education Committee was re-activated in January of this year. Planning meetings were held, the Seminary Extension Department of the Southern Baptist Convention was contacted, and in April two courses were offered. The Rev. Al Loiry is serving as Director of our Association Seminary Extension Department.

Two initial classes were conducted at Ochre Hill Baptist Church. The Reverend Max Smith taught the Basic Curriculum Series Course "Understanding the Bible" with an enrollment of seven students. The Reverend J. D. Grant taught the Basic Curriculum Series Course "How to Prepare and Deliver a Sermon" with an enrollment of eight students. There was a high level of enthusiasm among the participants

and many have indicated a continued interest in taking additional course work. The committee extends its appreciation to both the Reverend J. D. Grant and to the Reverend Max Smith for their excellent work as instructors.

Plans are currently being made to offer other courses this fall and coming spring. Plans will be finalized and will be announced at the Associational meeting as to the location, teachers, and titles of the courses to be offered.

Respectfully submitted,
S/ John Reid, Chairman
Earl Holden
Ray Houston

DEACON AND PASTOR FELLOWSHIP

The Deacon and Pastor Fellowship met four times this past year. The October meeting was with the Lovedale Church at which time the new officers were installed. Miss Sharon Wolf, US 2 Missionary was present to tell about the work she has been doing in the county since September of 1977. The January meeting was with the Buff Creek Church. Huey D. Perry, Chaplaincy Division of the Home Mission Board, was the program speaker. The April meeting was with the Scotts Creek Church. The church provided a drama and special music. The Speaker for the meeting was Kenneth Ridings, pastor in Buncombe County and teacher at Fruitland Bible Institute. As of this writing, the July meeting is scheduled to be held with the Cashiers Church. There will be a missions emphasis presented. Each of these churches provide a delicious meal for the deacons, preachers and wives of these officers of our churches. This is always the best attended meeting that we have each quarter. We thank each church which hosted the meeting.

The officers of the Deacon and Pastor Fellowship for this year have been: J. E. Carnes, Chairman; Conrad Burrell, Vice Chairman; Jesse Smith, Meeting Place Chairman; Robert Blanton, Program Chairman; and Coy Deitz, Song Leader; Hattie Hilda Allison, Recording Secretary; Joe Wilkey, Treasurer.

Respectfully submitted,
S/ J. E. Carnes

DIRECTOR OF MISSIONS' REPORT

We have worked together for two years now, and I appreciate every kindness and consideration which have been extended to me. I want to thank every officer and committee person for the faithful work which was performed. This past year has been a year that allowed us to begin some planning and actual mission work which will serve as the foundation for increased mission and ministry in the future.

Words of appreciation are due to the churches of the association which have made me feel welcome as I visited, preached and taught in them. My desire is to be able to support every pastor in the work on every church field. On occasions when a church has no pastor I want to be available to assist the church in any way that is requested. During this past year I have had this privilege of counselling and of sharing information upon request. The association is grateful to every church for its financial support. We thank the churches that began making gifts to the association this year. We invite and encourage all churches to share gifts to support

increased mission and ministry opportunities in Jackson County.

During the year I represented the association at the State Director of Missions meetings in Raleigh and at Wingate College. I was able to attend a portion of the State Convention and the Director of Missions Conference. It is my privilege to serve on the Baptist State Convention Task Force on Sunday School which has the responsibility of helping the churches to reach more people in Bible study. I enjoy serving on the Truett Camp Committee. This camp is so very important and helpful to the churches of our association. We all need to send our children and youth to the summer sessions, and to give the much needed financial support for the camp.

Let us encourage our pastors and executive committee members to attend the executive committee meetings each quarter. Certainly, every church ought to be present for the annual meetings of the association. We need also to support the various meetings planned to help our churches in Sunday School, Church Training, Vacation Bible School, Stewardship, Missions and all areas of special interest and need. The association is a fellowship of churches working together to do that which no one church could do alone. The association provides inspiration and direction to each church in fulfilling God's commands and commission.

FOREIGN MISSIONS

. . . "Go ye into all the world, and preach the gospel to every creature." Mark 16:15. . . . . "that repentance and remission of sins should be preached in His name among all nations . . . ." Luke 24:47. Southern Baptist, as always, believe that mandate is still in effect.

Through the channel of the Foreign Mission Board they have responded in part by sending from among their number men and women called missionaries. These messengers have gone to help share the good news of Jesus Christ in other lands--wherever there is invitation or opportunity. At the end of 1978 the total missionary staff was 2,906. New personnel gain in 1978 was 130.

Today Southern Baptist express their missions conviction in terms of the primary challenge and objective of Bold Mission Thrust: To provide every person on earth the opportunity to hear the gospel by the close of this century.

Southern Baptist seek to do their part, to be faithful in their responsibility. Your Foreign Mission Board added four new fields in 1978. At years end, missionaries were assigned to 94 geopolitical entities around the world.

Total gifts for Southern Baptist Foreign Missions in 1978 reached $64,995,017. Of this total Cooperative Program and Lottie Moon Christmas Offerings provided 91.92 percent.

I am happy to report that the Tuckaseigee Baptist Association also believes in being faithful, doing its part and supporting Foreign Missions. A good percentage of our churches are involved in missions through WMU's Cooperative Program and Lottie Moon Christmas Offerings.

It is through our prayers, our messengers, and our gifts that the challenge of Bold Mission Thrust can be accomplished. Let us not grow weary, but continue to support Foreign Missions.

Dr. Baker J. Cauthen, Executive Director of Foreign Mission Board, says "Southern Baptist stand today on tiptoe, peering into the future with eagerness and expectation. To be sure, there are clouds on the

horizon, but God's promises shine like a rainbow against those clouds, and the assuring Words of our Lord, "Lo, I am with you always even to the end of the age," ring in our hearts.

Come on Baptist of the Tuckaseigee Association, let us dare to follow Jesus Christ wherever he leads, that all the world may know that He is the Saviour and Lord!

HOMES FOR THE AGING

One of the outstanding things that has happened in connection with the North Carolina Baptist Homes for the Aging is the completion, dedication and occupancy of the Western North Carolina Baptist Home in Asheville. This new home will accommodate 50 residents.

In Winston-Salem a new apartment complex has been completed and will accommodate 16. The North Carolina Baptist now have provision for the accommodation of 300 persons.

The Baptist homes are located in the following places: Resthaven, The Hayes Home, Apartments, The Skilled Nursing Unit, in Winston-Salem; the Albermarle Home; the Hamilton Home; the Yanceyville Home and the Western North Carolina Home.

Not having the special offering usually contributed on the third Sunday in February has caused the homes to dip into endowment funds. Once the new plan of contributions coming through the North Carolina Missions Offering in September, it is hoped that the Homes will be on a more secure financial basis.

The Cooperative Program supplies about 8% of the total budget. While this is a steady fund it does not provide all of the support needed to keep the Homes operating adequately.

Five out of every six people, who cannot pay the full cost of care, and are living in the Homes are supported particially through love gifts from the North Carolina Baptist.

Two new administrative staff members--Jack Hoyle, Director of Admissions and Social Services and the Reverend Jim Saul, Director of Denominational Relations and Development have been added to the administrative staff as replacements.

Because ministry to an older person is a ministry unto Christ, we must keep this ministry close to our hearts and not forget to give abundantly to the North Carolina Missions fund in September.

HISTORIAN'S REPORT

A Brief Report of the history of the Tuckaseigee Baptist Association was compiled for distribution to those attending the 150 Anniversary of the Association. The committee responsible for this report was composed of the following persons: Alvin Loiry, Director of Missions, J. C. Robinson, Moderator, Louise Edwards, Ina Turpin, Henry Hoyle, Robert Blanton and Annie Hoyle, and the Church Clerks. Interest in the project was keen. The Committee met several times with almost perfect attendance each time. The Clerks were most helpful in supplying needed information and the writers were diligent and faithful in their work. As the result of the wonderful cooperation a booklet was prepared in time for the Anniversary Celebration which was held in the Cullowhee Baptist Church--the Mother Church of the Association. This committee plans now to edit what has been done, add additional materials and hope-

fully publish a history of the Association from its beginning until its 150 anniversary. It is hoped that a supplement will be added to this history at least every ten years in the future. The clerks of the forty-eight churches should be certain to list all historical happenings on the Church Letter each year. The Association is rich in interesting and pertinent historical data that should be captured in print for future generations.

If you did not get a copy of the booklet entitled REPORT OF THE HISTORICAL COMMITTEE at the celebration you may secure a copy from the Director of Missions' office or from the Historian.

CHRISTIAN HIGHER EDUCATION

When North Carolina Baptist call the college/university roll, there are seven institutions that will respond; namely, Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate. According to the latest figures 15% of all Baptist college enrollments are located in this state.

This year enrollments were stable. Wingate College made history by graduating the first senior class; Campbell, once known as a senior college announced a name change to Campbell University; the Campbell Law School graduated its first class.

All North Carolina Baptists are now aware of the current discussions between Wake Forest and the Council Committee to study the Wake Forest University Proposal. The Council will make its recommendation to the General Board, and the General Board will report and recommend to the Convention.

The Council on Christian Higher Education joins in encouraging the churches to elect responsible and informed messengers to the Convention. The results of the vote will affect the Convention and Wake Forest for many years to come. The churches are called upon to pray.

HOME MISSIONS

"There's a call comes ringing o'er the restless waves, Send the Light". "Send the Light"--Baptist of the Tuckaseigee Baptist Association! We are indeed making an effort to send a small part of the Light in our efforts to respond with boldness to the Bold Mission program launched in 1977 by the Baptist State Convention and the Southern Baptist Convention.

Before we can become concerned about missions we must know. In order to know more, key leaders in our Association have given of their time and energy to attend meetings and workshop at Ridgecrest and other places. They have returned to us and have shared and are sharing the information they received. Their enthusiasm has stirred within our hearts a desire to do more in the form of giving and in praying that every person might hear the gospel message and know that Christ is our Lord and Saviour.

The fifteen men and women from our Association who attended the Leadership Conference will bring information to Association in an associational meeting in September. We want to watch for that date and attend that our knowledge might be increased and our enthusiasm and zeal might be fed.

The major theme in the Division of Church programs has been growth in membership in all of the organizations in our churches. Reports have been rewarding in the field of church growth. A goal

set to double Baptisms by the year 1982 has been set. This is an area in which, we in the Tuckaseigee Association need to emphasize. During the past year only thirty of the forty-eight Baptist Churches in the Association reported Baptisms. The total number of baptisms reported was 132 persons.

We thank God that we live in a time in which we can witness. We pray for the courage and strength to become more aware of those people around us who do not know Christ as their Saviour and that we may reach out to them at the same time we are sending financial help and our prayers to those in other areas.

We have heard the Macedonian call today
And a golden offering at the cross we lay.
Let us pray that grace may everywhere abound
And a Christ-like spirit everywhere be found.
Let us not grow weary in the work of love
Let us gather jewels for a crown above.

REPORT OF THE HOSPITAL CHAPLAIN
C. J. HARRIS COMMUNITY HOSPITAL
July, 1978--June, 1979

Four thousand, three hundred five (4,305) inpatients passed through the hospital July 1, 1978 through June 30, 1979. This is an average of 358 patients per month. Here were 4,305 opportunities to mediate the compassion of our loving heavenly Father.

During the past year, 36 churches, one person and a community service gave $3,393.18 for the Chaplaincy. This represents an increase of $433.72 over 1978. Four more churches participated in the program for which we are most grateful.

The Chaplaincy Program is made possible by the voluntary cooperative effort upon the part of the majority of the Christian denominations in Jackson County. A standing committee of the Jackson County Minister's Association supervises the program. Churches are urged to place the program in their budgets, making their donations monthly.

In addition to the voluntary gifts from the churches and individuals, a Chaplaincy Foundation has been established to further secure the chaplain ministry. The Board of Trustees of the hospital will invest the funds.

Dr. James E. Dooley, Vice Chancellor for Development and Special Services at WCU, and Rev. Terry Hammill, Pastor of First United Methodist Church in Sylva, are the Chairman and Vice Chairman for a campaign for the Foundation in mid-October. The campaign, promoted by representative citizens of Jackson County, will seek $30,000. The interest will provide a supplement to the current annual contributions from County churches.

Jesus said, "Inasmuch as you have done it unto one of the least of these (sick) my brethren, you have done it unto me." Here is a challenge, a privilege and a stewardship to give an account for!

Address all gifts and communications concerning the Chaplaincy to Hospital Chaplaincy Program, 59 Hospital Road, Sylva, NC 28779.

ORDINATION COMMITTEE REPORT

The Ordinations Committee met twice this year for the purpose of examining two brethren for the Gospel Ministry. After examining their Christian experiences, doctrinal beliefs and call to the ministry, the Committee recommended that they be ordained by their home churches.

On April 19, 1979 it was recommended that Wilkesdale Baptist Church proceed with plans to ordain Brother Ben Cabe. He has been called to Long Branch Church.

STATE MISSIONS IN NORTH CAROLINA

Through more than fifty different types of ministry, State Missions programs of the Baptist State Convention are at work in North Carolina. Let us look at a few of them.

MIGRANT FARM WORKERS--These are some of God's most forgotten children. Because of their mobility and poverty, they are "outsiders" wherever they go. Through State Missions you are helping us sponsor migrant mission programs in twelve associations, including the Hendersonville area.

AID TO ASSOCIATIONS--Almost all State Mission programs involve local associations. Furthermore, a large portion of the state convention budget goes to assist associations with their programs. All but two associations in the mountain region receive financial assistance from the State Missions.

TRUETT CAMP--The camp is one of the fine ministries provided for boys and girls in Western North Carolina. It is located near Hayesville. In addition to the seven weeks of youth camps, Truett hosts Bible conferences, missionary and pastors' meetings, and church retreats. More than half of the Truett budget comes from State Mission sources.

DEAF MINISTRY--This ministry includes two full-time missionaries plus a statewide television ministry ("Light Unto My Path") for the deaf. One of the newest areas of Deaf Ministry is a program for deaf students at Gardner-Webb College, sponsored jointly by the college and the State Convention. Gardner-Webb is the only Southern Baptist college with a program for deaf young people.

CORRECTIONAL MINISTRIES--Working with men, women and youthful offenders in the state's 79 correctional institutions, it is one of the fastest growing State Mission Ministries.

FRUITLAND BAPTIST BIBLE INSTITUTE--With 200 plus students, no educational institution has meant more to the pulpits of Western North Carolina than Fruitland. Fruitland's total support comes from State Missions.

VACATION BIBLE SCHOOL

The following persons served on the Vacation Bible School faculty for the Association this past year: Gail Melton and Audrey Greene, Middle Preschool; Louella Brown, Older Preschool; Annie Hoyle,

Younger Children; Mary Bennett, Middle Children; Christine Loiry, Older Children; John Reid, Youth; Max Smith, Director. Most of these persons attended the State VBS Clinic at Ridgecrest, March 8 & 9, 1979. Each one did a good job at the Associational Clinic, which was held on May 8th. We appreciate the faithfulness and the work of this faculty. We believe the result will be that God will give the increase in new Vacation Bible School and souls on to Jesus Christ.

There have been many good reports received concerning the schools this year.

Lovedale Baptist Church hosted the Vacation Bible School Clinic on May 8th. We are grateful for their willingness of this Church family to have us again this year. At the clinic, we had 23 churches represented with 93 persons present. This was an increase in both churches represented and in the number of people present over the previous year. We pray this number will increase each year because Vacation Bible School is one of the greatest ways of reaching people with the good news about Jesus.

SUNDAY SCHOOL

There seems to be a growing interest in our churches in real Bible Study. Sunday School provides an excellent opportunity to do just this. The Baptist Sunday School Board provides three excellent series of literature for Bible Study; (1) the Convention Series; (2) the Life and Work Series; (3) the Bible Book Series, which is still rather new and is a complete study of each book in the Bible over a nine year period. We hope that each church in our Association will stress and support Bible Study at the same time emphasize the importance of Sunday School. This is a great way to witness and win the lost to Christ.

On March 30 of this year at the Cashiers Baptist Church we had a Sunday School Rally. Rockdale Baptist Church won the attendance banner for having the largest number present excluding the host church. We appreciate Cashiers' graciousness in hosting this meeting. The Reverend J. D. Grant brought a message on the word of God. The emphasis there was on Sunday School growth and we shared literature and programs with interested churches.

The Sunday School Director for the Association, Max Smith, has a filmstrip and materials available on the ACTION PLAN for Sunday School growth. If you need help in planning and developing a better Sunday School, he is available and interested in helping your church.

This year we had resource persons for Vacation Bible School and Sunday School and we hope to have many of these people working next year. These persons will be announced at a Sunday School meeting later.

On May 14 & 15th the Sunday School Director attended the State Key Leadership Conference at Ridgecrest and gained much information about Sunday School emphasis for '79-'80. He will share this information with the Sunday School Directors of our churches at the Association Key Leadership Conference on September 17th. Sunday School preparation week will be September 30-October 7th. Sunday School High Attendance day will be October 28th.

Any Church, Pastor or Sunday School Director who wants information about Sunday School, please get in touch with the Sunday School Director. All churches will receive a letter about Sunday School emphasis this year.

MISSIONS COMMITTEE

The Missions' Committee met in the spring and presented several ideas to the Executive Committee of the Association. The Missions' Committee strongly supports the Seminary Extension program which began this past year. The Committee would encourage each church to elect a Missions' Committee to lead in local missions and emphasize Home Missions and Foreign missions.

The Missions Committee recommended that the Association provide an outreach ministry to interested campgrounds in and near the Association area and that this be coordinated through the US-2-er missionary and that interested churches be enlisted and involved in this mission. This was accepted by the Executive Committee. The Missions Committee is studying several other possible ministeries for the Association; namely, (1) a Deacon Training School; (2) a Home missions project in West Virginia; (3) a jail ministry.

Pray and lend your support to this committee. If you have mission ideas, please share them with your Missions Committee. We hope that these ideas which are listed become realities in our association.

TRUETT CAMP

Western North Carolina's Truett Camp has had a struggle in past years but is now recognized as one of our valued assets.

During the past year Truett Camp has progressed considerably through the combined interest, faith, and cooperation of the trustees, committee, and churches of the western region. Some of the improvements which may be mentioned are: Renovation and upgrading of the swimming pool, stainless steel kitchen equipment to replace the old aluminum which is no longer accepted by the State Department of Health, enlargement of the parking area, painting where needed, upgrading of the living quarters and facilities there, and a long dreamed of outdoor chapel for vesper services and presentation of dramas has been erected. Much of this work has been done by Brother Kenneth Crawford, Camp Supervisor, himself. Others have made sizeable donations and have given hours of volunteer labor.

Truett Camp offers three weeks for girls, grades 4-10; one week is designed to teach youth music skills on the individual study basis. This week is for both boys and girls. Three weeks are scheduled for boys grades 4-10. Brother Bob Watson of the State Brotherhood organization plans and leads the program for this week.

We are pleased to report that a number of youth from several Tuckaseigee Association churches have attended these camp schedules which offer Bible study, mission studies, and Evangelistic training along with a reasonable amount of supervised recreation. Some have made committments for mission or religious work and professions of faith have been made through the leadership of State workers.

It is interesting to note that youth from "Down East" are coming to Truett Camp in the mountains.

The Associational WMU has offered assistance and some churches have given scholarships to assist or to send deserving boys and girls to Truett Camp. May we suggest that churches having Brotherhood organizations do the same for worthy boys who could not other-

wise attend camp.

Our program this year has been better advertized through the distribution of brochures to all the association churches, through magazines, newspaper coverage and by radio stations. During this season color slides are being made and assembled for use in the churches as a promotion effort. These slides will be available next year to any church organization that wishes to use them.

THE PROPOSED BUDGET
1979-1980

Jesus came and left us a great Mission. He told us that we could do even greater things. We are faced with the challenge of following His Lordship.

We are most grateful to those churches who have been faithful in their giving down through the years. Also we thank God for those who have felt the need and have begun to give during the past year.

Inflation is a household word throughout the world today. We have felt it here as have people everywhere. As we prepared this proposed budget we saw the need for an increase in the area of automobile expense for our Director of Missions. We have attempted to fill this need through a small increase in his salary and an increase in car expense. With the cost of gasoline moving toward $1.00 per gallon this need is ever present.

We have faith that God will provide for each need through His people. Let us work and pray together. May we be like the Apostle Paul and be able to say: "I have fought a good fight, I have finished my course, I have kept the faith." May God Bless You.

WOMAN'S MISSIONARY UNION

This has been an exciting year for WMU. Some of the dormant organizations have come back with new enthusiasm and zeal. Not only have the BW's reorganized but several of the age level organizations have been started. We now have at least four BYW groups. Isn't it great that interest in mission work is beginning to move forward with the Bold Mission Thrust.

The Acteens held a tea for all acteens in the Association. Debbie Monteith, as Director, has been enthusiastic and creative in her leadership.

The GAs under the direction of Jean Keener are eagerly looking forward to a Day Camp in the near future. The Buff Creek GA's took an active part in the annual WMU meeting. They sang a number of songs beautifully. These girls and their leaders have really been active in mission work. We thank all of the GA organizations of the Association for the hand made decorations for the Associational Executive Committee Christmas dinner. I only wish that every GA could have seen the tree after the Cullowhee girls completed decorating it with your trimmings. Thanks for your helpful contributions girls.

We thank all of the WMU organizations for your help in making this dinner possible.

At the annual WMU meeting held in May the members voted to set aside a sum of money to assist worthy GAs to attend Truett Camp for a week during one of the weeks for girls next year. The committee for this consists of Jean Keener, Chairman, Barbara Lakey, Mrs. J. D. Wyatt and Annie Hoyle. Girls if you need help call one of these people.

Mancy Curtis, our State Executive Secretary, brought us a challenging message at the May meeting. This was a well attended meeting. The ladies of the Buff Creek Church served as hostesses and did a fine job. Thank you, Ladies. The officers for the coming year were installed. Kathleen Buchanan was appointed Mission Director for the Association. After this the Mission's Director for the Association will be a regular elected officer and will become a member of the WMU Council.

The WMU Council has met each quarter. We appreciate the faithful attendance and helpful suggestions made by those who attended.

The Leadership Conference will be held the third Friday night in September at the Ochre Hill Baptist Church. It is hoped that all officers will make a special effort to attend. Your directors will have something worthwhile for you.

I wish to thank each person and each church for the helpful cooperation and support you gave me during my term of office. Your kindness and thoughtfulness will not be forgotten. You have been a wonderful group with whom to work. Please call on me anytime I can be of service. I shall always "love" you and the WMU work. I shall miss my close contacts with you. God bless your every effort.

S/ Annie Hoyle

CONSTITUTION COMMITTEE REPORT

The following amendments to the Constitution have been presented to the Constitution Committee for presentation at the Annual Meetings of the Tuckaseigee Baptist Association.

Dedication

1900 - 1980
The Reverend Dillard Thaddius Wood

On March 28, 1980 the "Master of all Good Workmen" called Dillard Thaddius Wood to his eternal home. His going draws closer the end of an era in which the pioneer preachers of the mountains roamed the hills and valleys carrying the gospel to everyone with whom they came in contact. Dillard Wood was one of the strong, staunch, sturdy members of that "great" group. He walked humbly among his followers working shoulder to shoulder with them daily thus making his life an open book. It was he who fed them spiritually. He secured his own strength from the God he loved and served.

Dillard Wood was ordained June 6, 1940 in the same country church, nestled deep within the mountains in which his funeral was preached. He had served the Balsam Grove Baptist Church both as a pastor and as a loyal, dedicated member.

His heritage goes deep into the wooded hills and on beyond. Thus, it is with deep appreciation and gratefulness for his leadership that the minutes of the 1980 Tuckaseigee Baptist Association are lovingly dedicated. Dillard Wood played a strong part in the building of this association.

Following is the tribute, written by a grandson, and delivered by him at his grandfather's funeral.

"In Memory of My Granddaddy"

The family and friends of Dillard Wood are brought together in our grief to celebrate his life and to return him to the soil where three generations of Woods have gone before.

My Granddaddy had a life-long interest in the lives of great men--presidents, military heroes, and statesmen. But those who knew him recognized that he was far greater than the men he liked to read about. He was greater than Winston Churchill because he had further to go.

No man was ever born further back in the mountains than Granddaddy was when he was born nearly 80 years ago in Chestnut Ridge Old Fields. It was no misfortune to be born in the wilderness. He knew that the luckiest thing imaginable had happened to him. The active life of the mountains nourished him in his younger days, and when he could no longer roam with his former energy, tales of bear hunting and fishing in the virgin streams of Deep Creek took its place.

He passed this love of wilderness on to me and to others. It is inconceivable to me to think that when I next return from the head-waters of Piney Mountain that old, grey-haired man won't be sitting by the house wanting to know how I had done and telling me again how the mountains had been in his youth. How many times have I heard him say that not even the Rockefellers had enough money to entice him to leave these mountains. And now he is forever a part of them, having left his imprint.

Granddaddy was a man of simple pleasures, but he was not a simple man. He was a philosopher, minister, dedicated public servant, and above all a devoted family man.

He had the courage to seek the truth, to live by what he believed in. He made no compromises wiht himself, and taught all of us to live by the same creed. He was an extraordinary student throughout his days, and seemed to possess the wisdom of an Old Testament judge.

His faith was unshakable. And in his years of fervent ministry, he strengthened the faith of others. Death held no surprises for him. He had been at peace with himself and with his Master for many years. He had done everything he wanted to do. He died with the same dignity with which he had done everything else. His physical ministry is over, his eternal ministry has begun.

He brought out dignity in other people. He had the most extraordinary ability to make people feel that they had a special relationship with him. He had more best friends than I have acquaintances. He shared his love with friends, but saved the best part of himself for his family.

No man ever made a finer choice of a wife than he did. And no one could have put up with his strong will better than she. He loved his 10 children, 30 grandchildren, and 10 great-grandchildren with an equal and enormous love. There was no jealousy for his affection, yet every one of us family members thinks we knew him best. When marriage ties enlarged the central family, he was the one that made everyone feel the bonds, the tightness of kinship. He wanted all of us grandchildren to know him so that we could know more about ourselves. The closeness of this family is more important to me than anything I have ever known. And the credit is his.

The great project of his final years was to complete his study into the history of his own family: from the shores of Scotland and Ireland, to Virginia, Mississippi, Tennessee, to the mountains of Caney Fork, and then from Oregon to New York. This is a legacy that will be treasured.

I can think of no greater honor than to be here today to celebrate a man who devoted himself to others. I can think of nothing more difficult than to lay to rest the man who has been the center of our lives. The only man who would know what to say is mute.

BILLY TOBIN TRACY, JR.

The 151st annual session of the Tuckaseigee Baptist Association convened with the East Sylva Baptist Church as host on August 14, 1980. Approximately 200 messengers and visitors enjoyed fellowship and delicious food at 5:30 p.m.

The Reverend J.C. Robinson, moderator, called the meeting to order at 6:30 p.m. The Reverend Charles Dean, pastor of the East Sylva Church brought the devotional.

The following business was transacted:

1. A motion that the Book of Reports be adopted and changed as needed. Motion was passed.

2. The moderator gave a brief report of the work of the executive committee for the past year. A report is included in the minutes. He suggested that anyone wanting further details read the minutes of the associational clerk for information.

The Reverend Robinson urged that the members and the church representatives become more conscientious about attending the quarterly meetings of the Executive Committee.

3. The new pastors and the pastors making changes in the association were recognized. The following changes and additions have been made: Patrick Correll new at Ochre Hill; Delvin Richey, new at Buff Creek; pastors making changes within the association were: Ernest Ammons moved to Trout Creek, Robert Blanton to Deitz Memorial; Charles Ginn went to New Savannah; Paul Carden went to Hyatts Chapel; Carl Smith to Johns Creek and Hubert Nations moved to Wilmont.

4. Roy Burnett presented the report for the associational Sunday school work. He shared the ideas and the work of the Sunday School Task Force during the past year. The plans for the coming year were revealed with special stress being placed upon Preparation Week and a special drive to increase Sunday school attendance.

5. The Vacation Bible School Report was presented by Linda Turrentine. See report in the minutes for details.

6. Nelda Reid gave an enthusiastic report on the work of the church training growth during the year and told of some of the plans for the coming year. See the full report in these minutes.

7. Mary Bennett gave the W.M.U. Report which is recorded in the minutes.

8. Robert Blanton presented the slate of officers for the 1980-81 year. He moved the adoption of the report. It was accepted as read with a correction of one office.

9. Wesley Hooper presented the Committee on Committees Report and moved its adoption. The motion was seconded and passed.

10. Jack Hinson presented the proposed changes in the constitution. The report will be voted on at the second session of the annual meeting.

11. Mike Moore, chairman of the finance committee, presented and explained the budget proposed for the 1980-81 year. He moved the acception of the budget. The motion was seconded and passed. Mike then called on Harry Vance, treasurer, to present and explain the Financial Report for the year. The report was accepted as presented.

Harry Vance recognized the gift of the Lovedale Baptist Church for a space on which to locate an associational office building. The land has been leased to the association for 99 years with the option to renew at the expiration of that time. The financial part is revealed in the Treasurer's Report found in these minutes.

Vance also explained why some churches did not receive credit for their donations to the association the same month in which they sent the contribution. All checks or financial transactions have to be deposited by two o'clock on the last day of the month. Monies received after that time do not show on the report until the following month.

11. John Reid presented the report for continuing education. He presented a detailed report of the seminary extension program and awarded certificates to those members who completed the course.

Plans for the ensuing year were revealed. There will be a Pastor's Workshop at the East Sylva Baptist Church on September 9-11; seminary extension classes will be offered in two cycles at four sites this year. The fall locations have been selected for the fall cycle: Old Savannah Church with the Reverend Delvin Richey as teacher; Hamburg with the Reverend Kenneth Fugate as teacher; Ochre Hill with the Reverend Patrick Correll as teacher and Long Branch with the Reverend Charles Ginn as teacher. The first three sites are for lay members wishing to become more Bible oriented; while the one at Long Branch is designed for the pastors and ministers. Locations have not yet been selected for the spring cycle but will be announced at a later date.

Plans also revealed that the rest homes in the association would be included, with classes being held in the rest homes. Further announcement concerning these will be made later.

12. The Reverend Alvin Loiry, Jr., director of missions, reported on the status of the evangelism committee. Plans are being made but will be revealed at a later date.

He also reported that he felt that the association would soon have a director for the brotherhood.

He expressed appreciation to Moderator J.C. Robinson for the good work he had accomplished as leader over the past two years.

Attention was called to the beginning time and place for the second annual session on August 15 (Sylva First 9:15 a.m.).

13. The Reverend Peter Ambrose was introduced. He presented the associational choir which rendered several beautiful numbers.

14. The Reverend Jerry Laughter delivered the sermon. The scripture from Phillipines 4:19 was used as his text. His ideas centered around the "Promise Box" of God's promises.

At the close of the sermon the meeting was adjourned until Friday morning.

Sylva First Baptist Church

15. The second session of the annual meeting opened with a devotional by the host church and the congregation singing of a hymn.

16. Alvin Loiry, Jr. told the forthcoming event of the Tuckaseigee Association doing some planned mission work in West Virginia.

17. The Time, Place and Preacher Report was presented and passed. See report.

18. Reverend Fred Lumford, director of missions in Cherokee County, spoke on the Christian Action League work and announced a meeting to be held in Bryson City on October 13, 1980 on this work.

19. After a hymn led by the Reverend Peter Ambrose the state convention video presentation with institutional and program representatives was presented. The following members made comments on the several institutions portrayed in the tape:

Conrad Burrell, Hugh Starnes, Tom Roberts, and Calvin Knight.

John Hyatt is a member of the North Carolina General Board for Region 10. Hyatt also serves on the Truett Camp Committee.

The goal now is to reach every person in North Carolina by 1982. This is a large but not an impossible task. More Bible study is needed.

20. Dr. John Bunn introduced some of the "formers" who were visiting with us today: The Reverend Bob Abrams, from Gardner Webb; the Reverend Sue Fitzgerald from Mars Hill; Dr. Henry Stokes from Wake Forest and the Reverend Joe David Fore, a "Now" from the Baptist Student Union of the Western Carolina University Campus.

The needs in each area that should be met were put forth in a challenging manner.

21. The moderator announced the attendance of 67 messengers, 12 visitors, and 17 pastors with 30 churches represented. Total present 95.

22. The Reverend Jack Hinson, chairman of the constitution committee moved the adoption of the proposed changes in the constitution. The motion was seconded and carried.

23. The following members were elected to the board of trustees: David Stillwell, 3-year term; R.O. Vance, 2-year term; and Kelly Bradley for a one year term.

24. David Blackney presented the resolutions for the association. The resolutions dealt with the work of the Christian Action League. Handouts on the issues were passed out. Ray Houston expressed THANKS to the East Sylva Baptist Church and to the First Baptist Church of Sylva for the use of their facilities and for the warm hospitality and fellowship demonstrated in each.

The resolutions committee appointed yesterday consisted of David Blackney, Dan Ward and Hardin Nicholson.

The resolutions as presented were accepted by the messengers as read.

25. The associational youth choir under the direction of the Reverend Peter Ambrose sang a number of selections. This is a newly organized choir that really did a "great" job.

26. The message was brought by the Reverend Dr. John Bunn, pastor of the Sylva First Church. He spoke on the need of the church to become TRUTH.

27. Following the message a memorial service was conducted in memory of those who had passed away since the last annual meeting.

28. Davis Hooper closed the 151st annual session with a blessing and prayer. The group assembled in the church dining hall where everyone enjoyed a delicious meal prepared by the members of the Sylva First Baptist Church.

Director of Missions Report

Our association was included in the number in the state that reported growth in several areas. Total baptisms were up over the previous year, more brotherhoods and W.M.U. organizations were reported and an increase in financial support, both to the association and to denominational causes and missions.

The association has accepted a long term lease option, having minimal expense involved, from Lovedale Baptist Church for a site for an association office building. We are grateful to this church for this generous provision. A building fund for the office facility was established through a transfer of an existing savings account in the amount of a little more than $2,000. Designated gifts are now requested from the churches of the association.

The director of missions continues to represent the association on the state Sunday School Task Force, Truett Camp Committee and the State Director of Missions Conference. These organizations meet several times each year and are responsible for assisting in program and mission planning.

There were many opportunities to meet with association committees and officers. Many churches invited me to speak as supply or visiting preacher and to teach Bible studies. On occasion I have been asked to counsel with pulpit committees and deacons concerning church matters.

The years ahead look promising. There is a spirit of anticipation for greater outreach in missions and ministry. I believe that the Lord has much more for us as we allow Him to work through our lives in the churches.

I wish to express my thanks, and also that of my wife, for your continued support and love in a year that brought personal joy, but also sadness.

Alvin Loiry
Director of Missions

Evangelism Committee Report

The evangelism committee met four times to discuss possible emphases for the association. There was a decision not to have a central tent crusade such as was conducted the past two years. The committee recognized a need for better planning for revival in the association. Suggestions were considered concerning helping pastors and lay persons to plan local revivals, make proper preparation and to interest the lost and unenlisted to attend the revival. Such matters as personal soul winning and witnessing were areas of need in the churches.

A Fellowship Revival is being suggested for the churches of the association to be held in late September. There are geographical groupings to which the churches can align themselves. An afternoon meeting at the Tuckaseigee Church on July 6, provided time for discussion and planning for this September Fellowship Revival. Group coordinators were selected from among the pastors.

The committee strongly encourages all pastors to attend the state evangelism conference. Churches are encouraged to make financial provisions for the pastors to receive the help of this conference.

The whole state of North Carolina is being challenged to a simultaneous crusade effort in 1982. Details of this crusade will be discussed at the state Baptist Convention and at the evangelism conference.

Truett Camp Report
1979 - 1980

This report is from June 1, 1979 to June 1, 1980. The past year was an exceptionally good one in that we had 1,058 people to use the camp. The G.A. weeks were well attended as well as the boys weeks. There was a total of 39 saved - 22 girls and 17 girls. We did not have a preacher's camp this summer.

A new building has been erected and will be ready for camp this year. The cost of the new building will be approximately $18,000. There were 135 one man days of free labor on the new building and all associations in Region 10 were involved in the free labor.

I want to thank all the churches and all other people that gave time and money to make Truett Camp what it is today.

Respectfully submitted,
George Kenneth Crawford,
Camp Director

Stewardship and Annuity

An annuity workshop reaching Region 10 was sponsored by the Baptist State Convention and held on June 7. Sam O'Neil explained the insurance and retirement programs offered through the annuity board of the S.B.C. Emphasis was placed on the "Route 10" plan of financial security for retirement. We would encourage each church to check and see if their pastor is adequately making plans for retirement and if not, seek to adopt the "Route 10" program. More information is available through the associational office. Twelve ministers and laymen attended from our association. Currently 17 churches and 18 staff members are participating in the annuity boards programs. I believe this reflects the spirit of love and appreciation Tuckaseigee Baptist have for their pastors and ministers. God bless you!

The association sponsored the 150th celebration of the Baptist State Convention of North Carolina, May 20. The leaders were Talmage Williams, Stewardship Division of B.S.C.; Dr. Charles W. Bryan, vice-president of the foreign mission board, S.B.C.; and Bob Wainwright, director of missions, Flat River Association. They led us in a day and evening session studying how Baptists work together for the glory of God. About 15 churches were represented with about 40 in attendance.

Total budget offerings of the churches our last reporting year (78-79) was $838,603. This was a decrease of $7,937 or about one percent (.94) decrease under the previous reporting year 77-78. The churches contributed $13,968 for the support of associational missions this past associational year (July 79-June 80). This is an increase of $294 or a two percent increase over last year. The Baptist State Convention contributed $3,380 to our association or about one fifth (19.5%) of our budget. In the year ending December '79 the churches gave $51,239 for the support of missions through the Cooperative Program. This is an increase of $12,574 or approximately a 32.5 percent increase over the previous year.

Plans for this year in the way of stewardship emphasis include the pastors Bold Missions Stewardship Conference in the spring of 1981 and a plan to interpret and promote the associational missions budget in the churches for next year. Goals for this year include increasing the number of churches participating in Cooperative Program and associational missions giving and increase the percentage of giving of those churches contributing. Currently there is an average of about 20 of our 48 churches contributing per month. The suggested giving goals are three percent or undesignated receipts to associational missions and 10 percent of undesignated re-

ceipts to the Cooperative Program. Some could do more, but even small increases across the association from each church would go a long way.

While we can be very proud of the increase in Cooperative Program giving we should be concerned with the narrow increase in associational ministry support. When we figure inflation into the picture we are loosing ground as the buying power of the dollar shrinks year by year. We have a great challenge before us as churches and association to keep abreast of inflation and then expand add new ministries, while building an associational building. The greatness of the challenge lies in the fact that while our gifts to God's work seek to keep ahead of inflation, the incomes from which those gifts are drawn are many times not keeping up with the inflation rates. It will call for a change of lifestyle, a shifting of priorities, and a sacrificial spirit to maintain the successes we have had. In Nehemiah's day the city was rebuilt in spite of all odds and discouragement because the people had a "mind to work." The heart beat of God is evangelism and missions, bringing the Gospel to bear in individual lives, churches, and communities. God grant us a "mind to work"!

Home Missions

The Annie Armstrong Easter Offering goal has been reached and money is still going in. "To God be the Glory" for this and all other good reports in response to our Bold Mission Thrust. This year 26 of the Baptist churches in the Tuckaseigee Baptist Association gave $14,060.06 to Home Missions. This money is used here in our own country to carry the gospel and to let our neighbors know that we do care about them.

Many doors have been opened and God's Followers have become aware of the challenge and the opportunity to share his message of love. The message is the same and if the task is greater today than it has ever been then God's Grace and Strength becomes greater to accomplish that which he leads his children to do. God has the person for the task, whether it's a 70-year old lady in Warner Robins, Georgia cooking soup for 20 to 50 people in The Exchange House there, a lay missionary in the South working with the mentally retarded, a social worker handing out tracts to ethnic groups in the North or a summer worker helping a Chinese lady in California learn English. All these people give a testimony of a fulfilling and happy life serving Jesus.

Our leaders set good examples in putting before us the goals in Bold Mission Thrust.

We are reminded of boldness shown in the scriptures in the following: Daniel was bold in his praying as he let nothing stand in his way as he knelt three times a day. Esther let nothing stand in her way in helping her people and Paul seemed not to let opportunity go by without telling those he came in contact with about his experience with God on the Damascus road.

In Genesis 4:9 "And the Lord said to Cain, 'Where is Abel thy Brother.' " And he said, "I know not, Am I my brothers keeper?"

Yes - there is and will be a need for home missions somewhere by someone as long as there is one unsaved person in the world. Let us do our part!

North Carolina Baptist Hospital

1979-1980

During the past year, our hospital has again received accreditation for the maximum period, two years, by the Joint Commission on Accreditation of Hospitals.

Our hospital is constantly upgrading its staff, facilities and equipment. A carbon dioxide surgical laser has been added. It has great potential for surgery.

New ultrasound equipment provides improved accuracy in determining location and degree of blocked arteries. The department of dentistry is being expanded to meet an increasing need for specialty dental services. An occupational therapist has been added to help patients recover functional skills lost through accident or disease. A new instrument has been acquired for testing infants with suspected hearing loss.

The financial counseling section is now better prepared to assist those who need its services.

The staff and trustees continue to make every effort to keep operating costs as low as possible. Our hospital recently became a charter member of the Sun Alliance, an organization of 22 large hospitals in nine southeastern states.

The Department of Pastoral Care continues to provide a pastoral ministry to hospital patients and their families. During the past year, the department has begun a Minister's Care Plan, in which the Baptist State Convention provides financial assistance for ministers and/or their families who seek pastoral counseling. Also the position of Chaplain to Medical Students has been elevated to a staff/faculty position.

Construction on the Focus Building is almost complete. Several departments of the Medical Center will be occupying this building.

The hospital staff is grateful to the Baptists of North Carolina for continuing financial support. During 1979, the hospital received $400,500 through the Cooperative Program, and $357, 517 through the North Carolina Missions Offering and designated gifts.

North Carolina Baptist Homes

The ministry to older persons through our Baptist homes is the youngest of all our social service ministries. We have just completed our 29th year of ministry. God has blessed us through all of these years in marvelous ways and has given to us the privilege of moving into five areas of our state with this special ministry - Resthaven, the Hayes Home, the Apartment Complex, and the nursing unit all in Winston-Salem, and homes in Albemarle, Hamilton, Yanceyville, and Asheville!

We are excited over the possibility of starting the construction of additional nursing beds in Winston-Salem to care for residents in the new Western North Carolina Home and the Apartment Complex, when nursing care is needed for them. Hopefully, construction of these beds can be underway within this year, along with the construction of an urgently needed enlargement and renovation of the Hayes Home, and the building of a new administration building.

Each of our residents would have me thank you as North Carolina Baptist for all that you are, and for all that you do for them.

W.A. Poole

Christian Higher Education

There are seven North Carolina Baptist colleges and universities: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate. Baptist in their roots and their affections, these schools are Baptists' educational missions in our state. There are 53 such colleges, including these seven, related to state conventions within the Southern Baptist Convention.

The highest priority of your Baptist colleges is to serve God and man through Christian higher education. Ours is a secular world which views life and history, and even man himself, as having no overarching purpose.

The task of the Christian college is large and complex; searching for answers to perplexing problems; guiding the lives of youth who have been greatly influenced by the values of a secular society; and interpreting this task in love and with reason to those who do not always understand the difficulty of the college task.

Baptist young people are sought and welcomed by Baptist colleges.

We thank you for your support. We request your earnest prayers for each of them.

Woman's Missionary Union

The W.M.U. of the Tuckaseigee Association has made some progress for 1979-1980 but not nearly enough. However, we feel we have been caught up in the Bold Missions Thrust.

The associational officers elected in May of 1979 are: Mary Bennett, Mildred Cowan, Joyce Green, Janice Burnett, Debbie Monteith, Jean Keener and Peggy Beasley. These officers agreed to serve during 1980-81 also; in order to accomplish our goals. The agreement was approved at our annual meeting in June.

The annual meeting was held at First Church, Sylva in June because May was so full of other meetings. The theme of the meeting was vitalizing the W.M.U. with G.A.'s and Acteens. Mrs. Kathy Parker of Macon Association was guest speaker,it was a well attended meeting, the fellowship was great.

Our fall meeting will be after the workshop at Ridgecrest and the leadership workshop in our association. As we all should know the decline in growth is not enough leadership training.

We have 24 W.M.U.'s with Locust Field being our newest. We urge all churches to participate in World Hunger Day.

Mary Bennett

Vacation Bible School

What an exciting and busy year this has been for our V.B.S.! Indeed, the Holy Spirit was present, felt, and working as the associational V.B.S. team was enlisted; received state training; planned and offered a "Sneak Preview" for pastors and V.B.S. directors; planned and presented the associational V.B.S. workshop for all ages including Backyard Bible Club/Mission V.B.S. and Special Education; arranged and conducted the book store transactions; and evaluated their efforts. The record shows a total of 126 persons registered for the "Sneak Preview" and the workshop with 24 different churches represented and 10 pastors being present. However, the night of the workshop, an unofficial head count, indicated 140 in attendance! At this writing, 36 of the 48 churches within our association have either reported or are known to have had a V.B.S. This is an increase of four more churches becoming involved in reaching others for Christ through V.B.S. than last year.

Dates to remember for next year are: state training on March 12 at West Asheville Baptist Church, proposed associational mini-clinic on April 2, and associational workshop on April 30 both to be hosted by Lovedale Baptist Church.

Special thanks go to Lovedale Church for hosting both the clinic and the workshop this year; to Rev. Loiry for his patience and guidance; and to each member of the V.B.S. team who "ran the second mile." Be watching for greater things next year through the efforts of the V.B.S. as the Lord continues to guide us for His glory.

Church Training

"Equipping for Missions" was the theme of the church training program for 1979-80. A variety of new training materials were made available to the churches. In addition to the regular dated curriculum materials, the equipping centers became very popular. These modules, or units of study, have included such topics as the Christian Confronting the Cults; How to make Good Marriages; better the Doctrine of Salvation and several others. The associational office purchased the kits that were available last year and several churches have used them already. Also a workbook for new Christians entitled Survival Kit For New Christians was made available through the state office.

The associational Church Training Council for the past year included Nelda Reid, director; Davis Hooper, assistant director; Betty Blanton, preschool leader; Mae Holden, children's leader; Sharon Carden, youth leader; and Neal Sellers, adult leader. Nelda Reid attended the Key Leadership Conference at Ridgecrest in May 1979 and helped conduct the association Key Leadership held at Lovedale, September 17, 1979. Several churches were represented at this conference. The church training director also spoke with the Wilkesdale Church in October regarding their interest in beginning the church training program again at their church, and within a short time they had the program organized and in operation again.

The major highlight of the church training year was "M" Night held at East Sylva Baptist Church on November 26, 1979. There were 287 people attending, representing 15 churches across the association. East Sylva choir led the congregation in worship through song and provided special music selections. An interesting and amusing skit emphasizing some new church training material was presented by Mrs. J.D. Wyatt and the Reverend Robert Blanton. The Reverend Ken Varner, Southern Baptist Missionary to Taiwan, delivered the message for the evening. He spoke of the

challenges that face Baptists as they enter the decade of the 1980's and as they plan to present the gospel through the end of this century. Special certificates of recognition were presented to the Wilkesdale Baptist Church for having been the church to most recently organize a church training program and to the Long Branch Baptist Church for having the highest percentage of their enrollment present. The Attendance Banner was awarded to Old Savannah Baptist Church with 65 people present, the largest number of members present from an individual church at "M" Night. The enthusiasm shown at "M" Night is proof that many people in our association agree that "Church is the Sunday Night Place."

Report of the Hospital Chaplain

C.J. Harris Community Hospital
July 1979 - June 1980

The Chaplaincy Ministry in the C.J. Harris Community Hospital is made possible by the voluntary cooperative effort upon the part of the majority of the Christian denominations in Jackson County. A standing committee, elected by the Jackson County Minister's Association, supervises the Chaplaincy Program. Committee members are: Jack Hinson, chairman; Mrs. John Parris, Mrs. Tom Murray, Dan Ward, Bob Reese, Don Morgan.

During the past year 33 churches, several individuals and a community service gave $3,952.84 for the Chaplaincy Fund. This s $559.66 more than the preceding year, for which we are most grateful. Churches are uged to place the chaplaincy in their budget, making their donations monthly.

In addition to the voluntary gifts from the churches and individuals, a Chaplaincy Foundation has been established to further secure the ongoing ministry of the chaplaincy. A goal of $30,000.00 has been set for the foundation. To date $6,039.37 has been given to the Chaplaincy Foundation. The monies so contributed by persons, firms, corporations, memorials, are to remain in said foundation and the interest and/or dividends earned on the monies contributed to be used by the Jackson County Minister's Association for the current Chaplaincy Program. The hospital board of trustees has the responsibility of investing the funds of the foundation.

Four thousand, four hundred, forty-five (4,445) in-patients passed through the hospital July 1, 1979 through June 30, 1980. This is an average of 370 patients a month. Here were 4,445 opportunities to mediate the compassion of our loving Heavenly Father. What a challenge! What a privilege! What a stewardship to give an account for! More time and more service is needed to adequately meet the spiritual needs of these patients.

Address all gifts and communications concerning the Chaplaincy Program to: Hospital Chaplaincy, 59 Hospital Road, Sylva, NC 28779.

Gifts and donations for the current Chaplaincy Program should be made to the Chaplaincy Fund; for the Foundation: The Chaplaincy Foundation.

Ordination Committee Report

The ordination committee met on two separate occasions for the examination of Christian brethren for the ministry. Being assured of their call to the ministry and being found sound in their doctrinal beliefs, the committee made the following recommendations:

On February 26, 1980, the Hamburg Baptist Church was advised to proceed with the ordination of Brother Edd Bryson and Brother Floyd Franks.

On April 24, 1980 the committee recommended Brother Don Franks be ordained by the Old Savannah Baptist Church.

Continuing Education

The continuing education committee has been in action this past year. We are thankful for the Spirit's moving in this part of the life and ministry of the association. Under God's leadership, we have opened the Seminary Extension Department to new areas of the county, planned additional opportunities for pastor's training, and reorganized the administration of the Seminary Extension Department within the association.

This past year we have sponsored six classes in three different areas of the county. This is an increase over last year. The Reverend David Blackney has taught two courses at Rockdale Baptist Church and enrolled a total of 24 students during the fall and spring. The Reverend Trenton Connelly has taught two courses in the Glenville-Cashiers area with a total enrollment of 31 students. The Robert Blanton and the Reverend Charles Ginn taught courses specifically designed for pastors and ministers. He had an enrollment of 10 pastors/ministers. Plans have been made to continue work in these areas of the county. More details will be released at the associational meeting.

A pastor's workshop is planned for this fall. This is a training session for pastors and ministers taught by leaders in our own association that will equip the local pastor to better serve the Lord at his own local church. Details will also be released about this event at the annual meeting.

Resolutions

The resolutions committee would like to give special THANKS for the work done this year in our association. Special THANKS go to our retiring moderator, the Reverend J.C. Robinson for the fine job he has done.

We would like to give our deepest appreciation to both of the host churches - East Sylva and Sylva First Baptist Churches - for the wonderful meals and the warm hospitality.

Historian's Report

The historical committee has worked toward the completion of a 150-year history of the association. The goal was to have this manuscript in print in time for distribution at the 1980 annual session. Because of interruptions and problems beyond our control the publication date has been postponed.

The interesting facts which are recorded herein were reported on the church letters to the association. No doubt there are many more things of historical interest that have gone unrecorded because most clerks do not feel the importance of completing this part of the letter. Churches getting "New" pastors during this past year were as follows: Buff Creek - the Reverend Delvin Richey; Ochre Hill - the Reverend Patrick Correll; Ernest Ammons moved to Trout Creek; Robert Blanton went to Deitz Memorial; Charles Ginn went to New Savannah; Paul Carden moved to Hyatts Chapel; Carl Smith moved to Johns Creek and Hubert Nations went to Wilmont. The churches remaining without pastors are: Big Ridge, Unity, Tilley Creek, Jarrett Memorial, Dicks Creek and Yellow Mountain.

Several churches have added improvements to their building as well as to their ministry. Those reporting were: Balsam built a handicap ramp; Cashiers organized a Royal Ambassadors organization; Jarrett Memorial paid off the indebtedness on their fellowship hall; Johns Creek remodeled their pulpit and installed a new water system; Lumberton built new rest rooms, recarpeted their sanctuary; Moses Creek began a youth ministry; New Hope celebrated its 25th anniversary; Old Savannah organized a brotherhood and Pioneers group; Pine Creek expanded the fence area around their cemetery; and Speedwell built Sunday school rooms in the basement of the church.

The pastors of the Cullowhee, Sylva First and the director of missions now have homes of their own and have become "real" members of the communities in which they live. All are full time employees of their respective churches.

The Cullowhee Baptist Church established a "first" by having a mother-son serve on the diaconate - Maxie Freeman and her son, Joel. They also had a woman chairperson serving on the diaconate - Annie Hoyle. This church also organized a hand bell choir, in addition to the strengthening of their ministry by reorganizing special organizations for the university students - P.S.A.L.T. and continuing the children's church program as well as providing directors for both the children and the youth of the church.

So much of the real history of our association goes unrecorded and in time is lost to the historians because many church clerks are unaware of the importance of making such information available on the church letter. The history of this association is unusually rich in the many interesting facts and happenings that make history real and worth reading and recording. All church clerks are asked to keep the history of their church in mind and to record it for the future generations.

Respectfully submitted,
Annie Hoyle, Historian

P.S. Since this article was written the following churches have called pastors: Big Ridge has called Lloyd Franks; Trout Creek has called Ernest Ammons; Jarrett Memorial has George Tuthill as their pastor; however, Scotts Creek has through the resignation of their pastor lost their shepherd of the flock.

The Proposed Budget

1980 - 1981

How thankful we should be that our Lord has given us a part in His Great Work. Not only has He made His Grace available to all but He has given us a chance to share in the bringing of the Gospel to the lost, the sick, and the down hearted. What a joy it is to be a part of God's work.

As we prepared this budget we prayed that God would lead us toward wise decisions. We sought to do God's will.

The cost of living continues to rise. We felt a need for an increase in salary and benefits for our director. We attempted to fill this need in ways that would most benefit him. As you can see we have attempted to make every dollar count to its fullest.

We are so grateful to those who are faithful in giving to this cause. We face a great challenge today and in the future as our associational fellowship grows. Please fall on your knees and pray concerning our regular work and the wonderful possibility of our own associational building.

Brethren there is no turning back in God's work. May we pray and work and love and give of our hearts, minds, bodies, and spirits. Let us press on toward the goal of winning the lost to Jesus. Pray that we will grow both spiritually and physically and that all our growing will be for the Glory of God.

Respectfully submitted,
Mike Moore, Chairman
